For the avoidance of doubt, the Agent shall not be obliged to pay any amount to the Issuer if it has not received satisfactory confirmation that it is to receive the amount from a Dealer.
- 5.5 This clause only applies when following the settlement procedures set out in Part 1 of Annex 1 of the Procedures Memorandum. Except in the case of issues where the Agent does not act as receiving bank for the Issuer in respect of the purchase price of the Notes being issued, if on the Issue Date a Dealer does not pay the full purchase price due from it in respect of any Note (the **Defaulted Note**) and, as a result, the Defaulted Note remains in the Agent's distribution account with Euroclear and/or Clearstream, Luxembourg after the Issue Date, the Agent will continue to hold the Defaulted Note to the order of the Issuer. The Agent shall notify the Issuer immediately of the failure of the Dealer to pay the full purchase price due from it in respect of any Defaulted Note and, subsequently, shall (a) notify the Issuer immediately on receipt from the Dealer of the full purchase price in respect of any Defaulted Note and (b) pay to the Issuer the amount so received.

6. PAYMENTS

- 6.1 The Issuer will, before 10.00 a.m. (local time in the relevant financial centre of the payment or, in the case of a payment in euro, London time), on the Business Day (as defined below) immediately preceding the date on which any payment in respect of any Note becomes due under the Conditions, transfer to an account specified by the Agent an amount in the relevant currency sufficient for the purposes of the payment in funds settled through such payment system as the Agent and the Issuer may agree.
- 6.2 Any funds paid by or by arrangement with the Issuer to the Agent under subclause 6.1 shall be held in the relevant account referred to in subclause 6.1 for payment to the Noteholders or Couponholders, as the case may be, until any Notes or matured Coupons become void under Condition 9. In that event the Agent shall repay to the Issuer sums equivalent to the amounts which would otherwise have been repayable on the relevant Notes or Coupons.
- 6.3 The Issuer will ensure that no later than 10.00 a.m. (London time) on the second Business Day (as defined below) immediately preceding the date on which any payment is to be made to the Agent

under subclause 6.1, the Agent shall receive a payment confirmation by authenticated SWIFT MT100 message from the paying bank of the Issuer. For the purposes of this Clause 6, **Business Day** means a day on which commercial banks and foreign exchange markets settle payments and are open for general business in the Kingdom of Norway and London.

- 6.4 The Agent shall notify each of the other Paying Agents immediately:
- (a) if it has not by the relevant date set out in subclause 6.1 received unconditionally the full amount in the Specified Currency required for the payment; and
 - (b) if it receives unconditionally the full amount of any sum payable in respect of the Notes or Coupons after that date.

The Agent shall, at the expense of the Issuer, immediately on receiving any amount as described in subclause 6.4(b), cause notice of that receipt to be published under Condition 14.

- 6.5 The Agent shall ensure that payments of both principal and interest in respect of a Temporary Global Note will only be made if certification of non-U.S. beneficial ownership as required by U.S. Treasury regulations has been received from Euroclear and/or Clearstream, Luxembourg in accordance with the terms of the Temporary Global Note.
- 6.6 Unless it has received notice under subclause 6.4(a), each Paying Agent shall pay or cause to be paid all amounts due in respect of the Notes on behalf of the Issuer in the manner provided in the Conditions. If any payment provided for in subclause 6.1 is made late but otherwise in accordance with the provisions of this Agreement, the relevant Paying Agent shall nevertheless make payments in respect of the Notes as stated above following receipt by it of such payment.
- 6.7 If for any reason the Agent considers in its sole discretion that the amounts to be received by it under subclause 6.1 will be, or the amounts actually received by it are, insufficient to satisfy all claims in respect of all payments then falling due in respect of the Notes, no Paying Agent shall be obliged to pay any such claims until the Agent has received the full amount of all such payments.
- 6.8 Without prejudice to subclauses 6.6 and 6.7, if the Agent pays any amounts to the holders of Notes or Coupons or to any other Paying Agent at a time when it has not received payment in full in respect of the relevant Notes in accordance with subclause 6.1 (the excess of the amounts so paid over the amounts so received being the **Shortfall**), the Issuer will, in addition to paying amounts due under subclause 6.1, pay to the Agent on demand interest (at a rate which represents the Agent's cost of funding the Shortfall) on the Shortfall (or the unreimbursed portion thereof) until the receipt in full by the Agent of the Shortfall.
- 6.9 Subject to receipt by the Agent of funds due under Clause 6.1, the Agent shall on demand promptly reimburse each other Paying Agent for payments in respect of Notes properly made by each Paying Agent in accordance with this Agreement and the Conditions unless the Agent has notified the relevant Paying Agent, prior to its opening of business on the due date of a payment in respect of the Notes, that the Agent does not expect to receive sufficient funds to make payment of all amounts falling due in respect of the Notes.
- 6.10 Whilst any Notes are represented by Global Notes, all payments due in respect of the Notes shall be made to, or to the order of, the holder of the Global Notes, subject to and in accordance with the provisions of the Global Notes. On the occasion of each payment, (i) in the case of a CGN, the Paying Agent to which such Global Note was presented for the purpose of making the payment shall cause the appropriate Schedule to the relevant Global Note to be annotated so as to evidence the amounts and dates of the payments of principal and/or interest as applicable or (ii) in the case of any

Global Note which is a NGN, the Agent shall instruct Euroclear and Clearstream, Luxembourg to make appropriate entries in their records to reflect such payment.

- 6.11 If the amount of principal and/or interest then due for payment is not paid in full (otherwise than by reason of a deduction required to be made by law or by reason of a FATCA Withholding or a certification required by the terms of a Note not being received), (i) the Paying Agent to which a Note or Coupon (as the case may be) is presented for the purpose of making the payment shall, unless the Note is a NGN, make a record of the shortfall on the relevant Note or Coupon and the record shall, in the absence of manifest error, be *prima facie* evidence that the payment in question has not to that extent been made or (ii) in the case of any Global Note which is a NGN, the Agent shall instruct Euroclear and Clearstream, Luxembourg to make appropriate entries in their records to reflect such shortfall in payment.
- 6.12 If the Issuer determines in its sole discretion that it will be required to withhold or deduct any FATCA Withholding in connection with any payment due on any Notes, then the Issuer will be entitled to re-direct or reorganise any such payment in any way that it sees fit in order that the payment may be made without FATCA Withholding provided that any such re-direction or reorganisation of any payment is made through a recognised institution of international standing and such payment is otherwise made in accordance with this Agreement.

7. DETERMINATIONS AND NOTIFICATIONS IN RESPECT OF NOTES AND INTEREST DETERMINATION

7.1 Determinations and notifications

- (a) The Agent shall, unless otherwise specified in the applicable Final Terms, make all the determinations and calculations which it is required to make under the Conditions, all subject to and in accordance with the Conditions.
- (b) The Agent shall not be responsible to the Issuer or to any third party as a result of the Agent having acted on any quotation given by any Reference Bank/Reference Banks Agent which subsequently may be found to be incorrect.
- (c) The Agent shall promptly notify (and confirm in writing to) the Issuer, the other Paying Agents and (in respect of a Series of Notes listed on a Stock Exchange) the relevant Stock Exchange of each Rate of Interest, Interest Amount and Interest Payment Date and all other amounts, rates and dates which it is obliged to determine or calculate under the Conditions as soon as practicable after their determination and of any subsequent amendments to them under the Conditions.
- (d) The Agent shall use its reasonable endeavours to cause each Rate of Interest, Interest Amount and Interest Payment Date and all other amounts, rates and dates which it is obliged to determine or calculate under the Conditions to be published as required in accordance with the Conditions as soon as possible after their determination or calculation.
- (e) If the Agent does not at any time for any reason determine and/or calculate and/or publish the Rate of Interest, Interest Amount and/or Interest Payment Date in respect of any Interest Period or any other amount, rate or date as provided in this clause, it shall immediately notify the Issuer and the other Paying Agents of that fact.
- (f) Determinations with regard to Notes required to be made by a Calculation Agent specified in the applicable Final Terms shall be made in the manner so specified. Unless otherwise agreed between the Issuer and the relevant Dealer or the Lead Manager, as the case may be, or unless the Agent is the Calculation Agent (in which case the provisions of this Agreement shall apply), those determinations shall be made on the basis of a Calculation Agency Agreement substantially in the

form of Schedule 1. Notes of any Series may specify additional duties and obligations of any Paying Agent, the performance of which will be agreed between the Issuer and the relevant Paying Agent prior to the relevant Issue Date.

7.2 Interest determination

- (a) Where Screen Rate Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will, subject as provided below, be either:
- (i) the offered quotation; or
 - (ii) the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the offered quotations,

(expressed as a percentage rate per annum), for the Reference Rate which appears or appear, as the case may be, on the Relevant Screen Page (or such replacement page on that service which displays the information) as at the Specified Time on the Interest Determination Date in question plus or minus (as indicated in the applicable Final Terms) the Margin (if any), all as determined by the Agent. If five or more offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one highest quotation, one only of those quotations) and the lowest (or, if there is more than one lowest quotation, one only of those quotations) shall be disregarded by the Agent for the purpose of determining the arithmetic mean (rounded as provided above) of the offered quotations.

- (b) If the Relevant Screen Page is not available or if, in the case of subclause 7.2(a)(i), no offered quotation appears or, in the case of subclause 7.2(a)(ii), fewer than three offered quotations appear, in each case as at the Specified Time, the Reference Banks Agent shall request each of the Reference Banks to provide the Reference Banks Agent with its offered quotation (expressed as a percentage rate per annum) for the Reference Rate at approximately the Specified Time on the Interest Determination Date in question. If two or more of the Reference Banks provide the Reference Banks Agent with offered quotations, the Rate of Interest for the Interest Period shall be the arithmetic mean (rounded if necessary to the fifth decimal place with 0.000005 being rounded upwards) of the offered quotations plus or minus (as appropriate) the Margin (if any), all as determined by the Agent.
- (c) If on any Interest Determination Date one only or none of the Reference Banks provides the Reference Banks Agent with an offered quotation as provided in the preceding paragraph, the Rate of Interest for the relevant Interest Period shall be the rate per annum which the Agent determines as being the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the rates, as communicated to (and at the request of) the Reference Banks Agent by the Reference Banks or any two or more of them, at which such banks were offered, at approximately the Specified Time on the relevant Interest Determination Date, deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate by leading banks in the Euro-zone inter-bank market (if the Reference Rate is EURIBOR), the Norwegian inter-bank market (if the Reference Rate is NIBOR) or the Swedish inter-bank market (if the Reference Rate is STIBOR) plus or minus (as appropriate) the Margin (if any) or, if fewer than two of the Reference Banks provide the Reference Banks Agent with offered rates, the offered rate for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, or the arithmetic mean (rounded as provided above) of the offered rates for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, at which, at approximately the Specified Time on the relevant Interest Determination Date, any one or more banks (which bank or banks is or are in the opinion of the Issuer suitable for the

purpose) informs the Reference Banks Agent it is quoting to leading banks in the Euro-zone inter-bank market (if the Reference Rate is EURIBOR), the Norwegian inter-bank market (if the Reference Rate is NIBOR) or the Swedish inter-bank market (if the Reference Rate is STIBOR) plus or minus (as appropriate) the Margin (if any), provided that, if the Rate of Interest cannot be determined in accordance with the foregoing provisions of this paragraph, the Rate of Interest shall be determined as at the last preceding Interest Determination Date (though substituting, where a different Margin is to be applied to the relevant Interest Period from that which applied to the last preceding Interest Period, the Margin relating to the relevant Interest Period in place of the Margin relating to that last preceding Interest Period).

8. NOTICE OF ANY WITHHOLDING OR DEDUCTION

- 8.1 All payments by the Issuer under this Agreement shall be made free and clear of, and without withholding or deduction for, any taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by or within Norway or the United States or any authority therein or thereof having power to tax, unless such withholding or deduction is required by law or by reason of a FATCA Withholding. If the Issuer is, in respect of any payment, compelled to withhold or deduct any amount for or on account of taxes, duties, assessments or governmental charges as specifically contemplated under the Conditions, it shall give notice of that fact to the Agent as soon as it becomes aware of the requirement to make the withholding or deduction and shall give to the Agent such information as it shall require to enable it to comply with the requirement.
- 8.2 If any Paying Agent is, in respect of any payment of principal or interest in respect of the Notes, compelled to withhold or deduct any amount for or on account of any taxes, duties, assessments or governmental charges as specifically contemplated under the Conditions, other than arising under subclause 8.1 or by virtue of the relevant holder failing to satisfy any certification or other requirement in respect of its Notes, it shall give notice of that fact to the Issuer and the Agent as soon as it becomes aware of the compulsion to withhold or deduct.

9. DUTIES OF THE PAYING AGENTS IN CONNECTION WITH EARLY REDEMPTION

- 9.1 If the Issuer decides to redeem any Notes for the time being outstanding before their Maturity Date in accordance with the Conditions, the Issuer shall give notice of the decision to the Agent stating the date on which the Notes are to be redeemed and the nominal amount of Notes to be redeemed not less than 15 days before the date on which the Issuer will give notice to the Noteholders in accordance with the Conditions of the redemption in order to enable the Agent to carry out its duties in this Agreement and in the Conditions.
- 9.2 If some only of the Notes are to be redeemed, the Agent shall, in the case of Definitive Notes, make the required drawing in accordance with the Conditions but shall give the Issuer reasonable notice of the time and place proposed for the drawing and the Issuer shall be entitled to send representatives to attend the drawing and shall, in the case of Notes in global form, co-ordinate the selection of Notes to be redeemed with Euroclear and Clearstream, Luxembourg, all in accordance with the Conditions.
- 9.3 The Agent shall, at the request and at the expense of the Issuer, publish the notice required in connection with any redemption and shall, if applicable, at the same time also publish a separate list of the serial numbers of any Notes in definitive form previously drawn and not presented for redemption. The redemption notice shall specify the date fixed for redemption, the redemption amount, the manner in which redemption will be effected and, in the case of a partial redemption of Definitive Notes, the serial numbers of the Notes to be redeemed. The notice will be published in accordance with the Conditions. The Agent will also notify the other Paying Agents of any date fixed for redemption of any Notes.

10. RECEIPT AND PUBLICATION OF NOTICES

- 10.1 Promptly after it receives a demand or notice from any Noteholder in accordance with the Conditions, the Agent shall forward a copy to the Issuer.
- 10.2 On behalf of and at the request and expense of the Issuer, the Agent shall cause to be published all notices required to be given by the Issuer to the Noteholders in accordance with the Conditions and any obligation to publish such notice shall have been met upon delivery of the notice to the relevant clearing system.

11. CANCELLATION OF NOTES, COUPONS AND TALONS

- 11.1 All Notes which are redeemed, all Global Notes which are exchanged in full, all Coupons which are paid and all Talons which are exchanged shall be cancelled by the Paying Agent by which they are redeemed, exchanged or paid. In addition, the Issuer shall immediately notify the Agent in writing of all Notes which are purchased on behalf of the Issuer or any of its Subsidiaries and all such Notes surrendered to a Paying Agent for cancellation, together (in the case of Definitive Notes) with all unmatured Coupons or Talons (if any) attached to them or surrendered with them, shall be cancelled by the Paying Agent to which they are surrendered. Each of the Paying Agents shall give to the Agent details of all payments made by it and shall deliver all cancelled Notes, Coupons and Talons to the Agent or as the Agent may specify.
- 11.2 The Agent shall, at the request of the Issuer, deliver to the Issuer within three months or as soon as reasonably practicable after the date of each repayment, payment, cancellation or replacement, as the case may be, a certificate stating:
- (a) the aggregate nominal amount of Notes which have been redeemed and the aggregate amount paid in respect of them;
 - (b) the number of Notes cancelled together (in the case of Notes in definitive form) with details of all unmatured Coupons or Talons attached to them or delivered with them;
 - (c) the aggregate amount paid in respect of interest on the Notes;
 - (d) the total number by maturity date of Coupons and Talons cancelled; and
 - (e) (in the case of Definitive Notes) the serial numbers of the Notes.
- 11.3 The Agent shall destroy all cancelled Notes, Coupons and Talons and, immediately following their destruction, at the request of the Issuer, send to the Issuer a certificate stating the serial numbers of the Notes (in the case of Notes in definitive form) and the number by maturity date of Coupons and Talons destroyed.
- 11.4 Without prejudice to the obligations of the Agent under subclause 11.2, the Agent shall keep a full and complete record of all Notes, Coupons and Talons (other than serial numbers of Coupons) and of their redemption, purchase on behalf of the Issuer or any of its Subsidiaries and cancellation, payment or replacement (as the case may be) and of all replacement Notes, Coupons or Talons issued in substitution for mutilated, defaced, destroyed, lost or stolen Notes, Coupons or Talons. The Agent shall in respect of the Coupons of each maturity retain (in the case of Coupons other than Talons) until the expiry of ten years from the Relevant Date in respect of such Coupons and (in the case of Talons) indefinitely either all paid or exchanged Coupons of that maturity or a list of the serial numbers of Coupons of that maturity still remaining unpaid or unexchanged. The Agent shall at all reasonable times make the record available to the Issuer and any persons authorised by it for inspection and for the taking of copies of it or extracts from it.

11.5 The Agent is authorised by the Issuer and instructed to (a) in the case of any Global Note which is a CGN, to endorse or to arrange for the endorsement of the relevant Global Note to reflect the reduction in the nominal amount represented by it by the amount so redeemed or purchased and cancelled and (b) in the case of any Global Note which is a NGN, to instruct Euroclear and Clearstream, Luxembourg to make appropriate entries in their records to reflect such redemption or purchase and cancellation, as the case may be; provided, that, in the case of a purchase or cancellation, the Issuer has notified the Agent of the same in accordance with subclause 11.1.

12. ISSUE OF REPLACEMENT NOTES, COUPONS AND TALONS

12.1 The Issuer will cause a sufficient quantity of additional forms of Notes, Coupons and Talons to be available, upon request, to the Agent at its specified office for the purpose of issuing replacement Notes, Coupons and Talons as provided below.

12.2 The Agent will, subject to and in accordance with the Conditions and this clause, cause to be delivered any replacement Notes, Coupons and Talons which the Issuer may determine to issue in place of Notes, Coupons and Talons which have been lost, stolen, mutilated, defaced or destroyed.

12.3 In the case of a mutilated or defaced Note, the Agent shall ensure that (unless otherwise covered by such indemnity as the Issuer may reasonably require) any replacement Note will only have attached to it Coupons and Talons corresponding to those (if any) attached to the mutilated or defaced Note which is presented for replacement.

12.4 The Agent shall obtain verification in the case of an allegedly lost, stolen or destroyed Note, Coupon or Talon in respect of which the serial number is known, that the Note, Coupon or Talon has not previously been redeemed, paid or exchanged, as the case may be. The Agent shall not issue any replacement Note, Coupon or Talon unless and until the claimant shall have:

- (a) paid the costs and expenses incurred in connection with the issue;
- (b) provided it with such evidence and indemnity as the Issuer may reasonably require; and
- (c) in the case of any mutilated or defaced Note, Coupon or Talon, surrendered it to the Agent.

12.5 The Agent shall cancel any mutilated or defaced Notes, Coupons and Talons in respect of which replacement Notes, Coupons and Talons have been issued under this clause and shall, at the request of the Issuer, furnish the Issuer with a certificate stating the serial numbers of the Notes, Coupons and Talons cancelled and, unless otherwise instructed by the Issuer in writing, shall destroy the cancelled Notes, Coupons and Talons and, at the request of the Issuer, give to the Issuer a destruction certificate containing the information specified in subclause 11.3.

12.6 The Agent shall, on issuing any replacement Note, Coupon or Talon, immediately inform the Issuer and the other Paying Agents of the serial number of the replacement Note, Coupon or Talon issued and (if known) of the serial number of the Note, Coupon or Talon in place of which the replacement Note, Coupon or Talon has been issued. Whenever replacement Coupons or Talons are issued, the Agent shall also notify the other Paying Agents of the maturity dates of the lost, stolen, mutilated, defaced or destroyed Coupons or Talons and of the replacement Coupons or Talons issued.

12.7 The Agent shall keep a full and complete record of all replacement Notes, Coupons and Talons issued and shall make the record available at all reasonable times to the Issuer and any persons authorised by it for inspection and for the taking of copies of it or extracts from it.

12.8 Whenever any Note, Coupon or Talon for which a replacement Note, Coupon or Talon has been issued and in respect of which the serial number is known is presented to a Paying Agent for

payment, the relevant Paying Agent shall immediately send notice of that fact to the Issuer and the other Paying Agents.

- 12.9 The Paying Agents shall issue further Coupon sheets against surrender of Talons. A Talon so surrendered shall be cancelled by the relevant Paying Agent who (except where the Paying Agent is the Agent) shall inform the Agent of its serial number. Further Coupon sheets issued on surrender of Talons shall carry the same serial number as the surrendered Talon.

13. COPIES OF DOCUMENTS AVAILABLE FOR INSPECTION

Each Paying Agent shall hold available for inspection or collection at its specified office during normal business hours copies of all documents required to be so available by the Conditions of any Notes. For these purposes, the Issuer shall provide the Paying Agents with sufficient copies of each of the relevant documents. Each Paying Agent shall provide by e-mail to a Noteholder copies of all documents required to be so available by the Conditions of any Notes, following the Noteholder's prior written request and provision of proof of holding and identity (in a form satisfactory to the relevant Paying Agent).

14. MEETINGS OF NOTEHOLDERS

- 14.1 The provisions of Schedule 4 shall apply to meetings of the Noteholders and shall have effect in the same manner as if set out in this Agreement.
- 14.2 Without prejudice to subclause 14.1, each of the Paying Agents on the request of any holder of Notes shall issue voting certificates and block voting instructions in accordance with Schedule 4 and shall immediately give notice to the Issuer in writing of any revocation or amendment of a block voting instruction. Each of the Paying Agents will keep a full and complete record of all voting certificates and block voting instructions issued by it and will, not less than 24 hours before the time appointed for holding a meeting or adjourned meeting, deposit at such place as the Agent shall approve, full particulars of all voting certificates and block voting instructions issued by it in respect of the meeting or adjourned meeting.

15. COMMISSIONS AND EXPENSES

- 15.1 The Issuer agrees to pay to the Agent such fees and commissions as the Issuer and the Agent shall separately agree in respect of the services of the Paying Agents under this Agreement together with any out of pocket expenses (including legal, printing, postage, cable and advertising expenses) incurred by the Paying Agents in connection with their services (plus any applicable value-added tax).
- 15.2 The Agent will make payment of the fees and commissions due under this Agreement to the other Paying Agents and will reimburse their expenses promptly after the receipt of the relevant moneys from the Issuer. The Issuer shall not be responsible for any payment or reimbursement by the Agent to the other Paying Agents. The Agent shall have no obligation to act if it believes it will incur costs for which it will not be reimbursed.

16. INDEMNITY

- 16.1 The Issuer shall indemnify each of the Paying Agents against any losses, liabilities, costs, claims, actions, demands or expenses (together, **Losses**) (including, but not limited to, all costs, legal fees, charges and expenses (together, **Expenses**) properly paid or incurred in disputing or defending any Losses) which it may incur or which may be made against it as a result of or in connection with its appointment or the exercise of its powers and duties under this Agreement except for any Losses or Expenses resulting from any such Paying Agent's own wilful default, gross negligence or fraud or

that of its officers, directors or employees. Notwithstanding the foregoing, under no circumstances will the Issuer be liable to a Paying Agent or any other party to this Agreement for any loss of business, goodwill, opportunity or profit or consequential loss, even if advised of the possibility of such loss or damage.

- 16.2 Each Paying Agent shall indemnify the Issuer against Losses (including, but not limited to, all Expenses properly paid or incurred in disputing or defending any Losses) which it may incur or which may be made against it as a result of or in connection with such Paying Agent's appointment or the exercise of its powers and duties under this Agreement resulting from such Paying Agent's own wilful default, gross negligence or fraud or that of its officers, directors or employees. Notwithstanding the foregoing, under no circumstances will the Paying Agents be liable to the Issuer or any other party to this Agreement for any consequential loss (being loss of business, goodwill, opportunity or profit), even if advised of the possibility of such loss or damage.
- 16.3 The indemnities set out above shall survive any termination or expiry of this Agreement.

17. RESPONSIBILITY OF THE PAYING AGENTS

- 17.1 No Paying Agent shall be responsible to anyone with respect to the validity of this Agreement or the Notes or Coupons or for any act or omission by it in connection with this Agreement or any Note or Coupon except for its own gross negligence, wilful default or fraud, including that of its officers and employees.
- 17.2 No Paying Agent shall have any duty or responsibility in the case of any default by the Issuer in the performance of its obligations under the Conditions or, in the case of receipt of a written demand from a Noteholder or Couponholder, with respect to such default, provided however that promptly on receiving any notice given by a Noteholder in accordance with Condition 10, as applicable, the Agent notifies the Issuer of the fact and furnishes it with a copy of the notice.
- 17.3 Whenever in the performance of its duties under this Agreement a Paying Agent shall deem it desirable that any matter be established by the Issuer prior to taking or suffering any action under this Agreement, the matter may be deemed to be conclusively established by a certificate signed by the Issuer and delivered to the Paying Agent and the certificate shall be a full authorisation to the Paying Agent for any action taken or suffered in good faith by it under the provisions of this Agreement in reliance upon the certificate.

18. CONDITIONS OF APPOINTMENT

- 18.1 Each Paying Agent shall be entitled to deal with money paid to it by the Issuer for the purpose of this Agreement in the same manner as other money paid to a banker by its customers except:
- (a) that it shall not exercise any right of set-off, lien or similar claim in respect of the money; and
 - (b) that it shall not be liable to account to the Issuer for any interest on the money.

Money held by the Agent need not be segregated except as required by law.

- 18.2 In acting under this Agreement and in connection with the Notes, each Paying Agent shall act solely as an agent of the Issuer and will not assume any obligations towards or relationship of agency or trust for or with any of the owners or holders of the Notes, Coupons or Talons.
- 18.3 Each Paying Agent undertakes to the Issuer to perform its duties, and shall be obliged to perform the duties and only the duties, specifically stated in this Agreement (including Schedule 7 in the case of

the Agent), the Conditions and the Procedures Memorandum, and no implied duties or obligations shall be read into any of those documents against any Paying Agent other than the duty to act honestly and in good faith and to exercise the diligence of a reasonably prudent agent in comparable circumstances. Each of the Paying Agents (other than the Agent) agrees that if any information that is required by the Agent to perform the duties set out in Schedule 7 becomes known to it, it will promptly provide such information to the Agent.

- 18.4 Each Paying Agent is entitled to take any action or to refuse to take any action, and has no liability for any liability or loss resulting from taking or refusing to take action, which such Paying Agent regards as necessary for it to comply with any applicable law, regulation or requirement (whether or not having the force of law) of any central bank or governmental or other regulatory authority affecting it, or the rules, operating procedures or market practice of any relevant stock exchange or other market or clearing system.
- 18.5 The Agent may consult with legal and other professional advisers and the opinion of the advisers shall be full and complete protection in respect of any action taken, omitted or suffered under this Agreement in good faith and in accordance with the opinion of the advisers.
- 18.6 Each Paying Agent shall be protected and shall incur no liability in respect of any action taken, omitted or suffered in reliance on any instruction from the Issuer or any document which it reasonably believes to be genuine and to have been delivered by the proper party or on written instructions from the Issuer.
- 18.7 Any Paying Agent and its officers, directors, affiliates and employees may become the owner of, and/or acquire any interest in, any Notes, Coupons or Talons with the same rights that it or he would have had if the Paying Agent concerned were not appointed under this Agreement, and may engage or be interested in any financial or other transaction with the Issuer and may act on, or as depository, trustee or agent for, any committee or body of holders of Notes or Coupons or in connection with any other obligations of the Issuer as freely as if the Paying Agent were not appointed under this Agreement.
- 18.8 The Issuer shall provide the Agent with a certified copy of the list of persons authorised to execute documents and take action on its behalf in connection with this Agreement and shall notify the Agent immediately in writing if any of those persons ceases to be authorised or if any additional person becomes authorised together, in the case of an additional authorised person, with evidence satisfactory to the Agent that the person has been authorised.
- 18.9 Except as otherwise permitted in the Conditions or as ordered by a court of competent jurisdiction or as required by law or applicable regulations, the Issuer and each of the Paying Agents shall be entitled to treat the bearer of any Note or Coupon as the absolute owner of it (whether or not it is overdue and notwithstanding any notice of ownership or writing on it or notice of any previous loss or theft of it).
- 18.10 The amount of the Programme may be increased by the Issuer in accordance with the procedure set out in the Programme Agreement. Upon any increase being effected, all references in this Agreement to the amount of the Programme shall be deemed to be references to the increased amount.
- 18.11 No Paying Agent shall be liable for any loss caused by events beyond their reasonable control including any malfunction, interruption or error in the transmission of information caused by any machine or systems, interruption of communication facilities, abnormal operating conditions or events of force majeure. Under no circumstance will any Paying Agent be liable to the Issuer or any

other party to this Agreement for any loss of business, goodwill, opportunity or profit or consequential loss even if advised of the possibility of such loss or damage.

18.12 None of the parties to this Agreement is permitted to assign or transfer any of its rights and obligations under this Agreement without the prior written consent of the other parties to this Agreement, provided however that, subject to the relevant Agent notifying the Issuer at least 20 days prior to any such transfer, each of the Agents may transfer its rights and obligations under this Agreement to any other member of the DB Group without such consent. For the purposes of this Clause 18.12, **DB Group** means Deutsche Bank AG and any of its associated companies, branches and subsidiary undertakings from time to time.

18.13 The parties acknowledge that, in connection with this Agreement, the Issuer may disclose to the Paying Agents, and the Paying Agents may further process, information relating to individuals (**Personal Data**) such as individuals associated with the Issuer. The parties confirm that in so doing they will each comply with any applicable Data Protection Laws and, that each is acting as an independent and separate Controller and that no party will place any other party in breach of applicable Data Protection Laws. 19. COMMUNICATIONS BETWEEN THE PARTIES

A copy of all communications relating to the subject matter of this Agreement between the Issuer and any Paying Agent (other than the Agent) shall be sent to the Agent.

20.1 The Issuer agrees that, for so long as any Note is outstanding, or until moneys for the payment of all amounts in respect of all outstanding Notes have been made available to the Agent and have been returned to the Issuer as provided in this Agreement:

- (a) so long as any Notes are listed on any Stock Exchange or admitted to listing by any other relevant authority, there will at all times be a Paying Agent, which may be the Agent, with a specified office in the place as may be required by the rules and regulations of the relevant Stock Exchange or any other relevant authority;
- (b) there will at all times be an Agent; and
- (c) there will at all times be a Paying Agent in a jurisdiction within Europe, other than the jurisdiction in which the Issuer is incorporated.

In addition, the Issuer shall immediately appoint a Paying Agent having a specified office in New York City in the circumstances described in Condition 6.4. Any variation, termination, appointment or change shall only take effect (other than in the case of insolvency (as provided in subclause 20.5), when it shall be of immediate effect) after not less than 30 nor more than 45 days' prior notice shall have been given to the Noteholders in accordance with Condition 14.

20.2 The Agent may (subject as provided in subclause 20.4) at any time resign by giving at least 60 days' written notice to the Issuer specifying the date on which its resignation shall become effective.

20.3 The Agent may (subject as provided in subclause 20.4) be removed at any time by the Issuer on at least 60 days' notice in writing from the Issuer specifying the date when the removal shall become effective.

5. INTEREST

The applicable Final Terms will indicate whether the Notes are Fixed Rate Notes, Floating Rate Notes, Reset Notes or Zero Coupon Notes.

5.1 Interest on Fixed Rate Notes

This Condition 5.1 applies only to Fixed Rate Notes and references to “Notes” in this Condition 5.1 shall be construed accordingly.

Each Note bears interest from (and including) the Interest Commencement Date at the rate(s) per annum equal to the Rate(s) of Interest. Interest will be payable in arrear on the Interest Payment Date(s) in each year up to (and including) the Maturity Date.

If the Notes are in definitive form, except as provided in the applicable Final Terms, the amount of interest payable on each Interest Payment Date in respect of the Interest Period ending on (but excluding) such date will amount to the Fixed Coupon Amount. Payments of interest on any Interest Payment Date will, if so specified in the applicable Final Terms, amount to the Broken Amount so specified.

Except in the case of Notes in definitive form where a Fixed Coupon Amount or Broken Amount is specified in the applicable Final Terms, interest shall be calculated in respect of any period by applying the Rate of Interest to:

- (A) in the case of Notes which are represented by a Global Note, the aggregate outstanding nominal amount of the Notes represented by such Global Note; or
- (B) in the case of Notes in definitive form, the Calculation Amount,

and, in each case, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention. Where the Specified Denomination of a Note in definitive form is a multiple of the Calculation Amount, the amount of interest payable in respect of such Note shall be the product of the amount (determined in the manner provided above) for the Calculation Amount and the amount by which the Calculation Amount is multiplied to reach the Specified Denomination, without any further rounding.

5.2 Interest on Floating Rate Notes

This Condition 5.2 applies only to Floating Rate Notes and references to “Notes” in this Condition 5.2 shall be construed accordingly.

(a) Interest Payment Dates

Each Note bears interest from (and including) the Interest Commencement Date and such interest will be payable in arrear on either:

- (i) the Specified Interest Payment Date(s) in each year specified in the applicable Final Terms; or
- (ii) if no Specified Interest Payment Date(s) is/are specified in the applicable Final Terms, each date (each such date, together with each Specified Interest Payment Date, an **Interest Payment Date**) which falls the number of months or other period specified as the Specified Period in the applicable Final Terms after the preceding Interest Payment Date or, in the case of the first Interest Payment Date, after the Interest Commencement Date.

Such interest will be payable in respect of each Interest Period.

If a Business Day Convention is specified in the applicable Final Terms and (x) if there is no numerically corresponding day in the calendar month in which an Interest Payment Date should occur or (y) if any Interest Payment Date would otherwise fall on a day which is not a Business Day, then, if the Business Day Convention specified is:

- (A) in any case where Specified Periods are specified in accordance with Condition 5.2(a)(ii) above, the Floating Rate Convention, such Interest Payment Date (a) in the case of (x) above, shall be the last day that is a Business Day in the relevant month and the provisions of (ii) below shall apply *mutatis mutandis* or (b) in the case of (y) above, shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event (i) such Interest Payment Date shall be brought forward to the immediately preceding Business Day and (ii) each subsequent Interest Payment Date shall be the last Business Day in the month which falls the Specified Period after the preceding applicable Interest Payment Date occurred; or
- (B) the Following Business Day Convention, such Interest Payment Date shall be postponed to the next day which is a Business Day; or
- (C) the Modified Following Business Day Convention, such Interest Payment Date shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event such Interest Payment Date shall be brought forward to the immediately preceding Business Day; or
- (D) the Preceding Business Day Convention, such Interest Payment Date shall be brought forward to the immediately preceding Business Day.

(b) Rate of Interest

In respect of Floating Rate Notes, the Rate of Interest for each Interest Period will, subject as provided below, be either:

- (A) the offered quotation; or
- (B) the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the offered quotations,
 - (i) (expressed as a percentage rate per annum) for the Reference Rate (being either the Euro-zone interbank offered rate (**EURIBOR**), the Norwegian interbank offered rate (**NIBOR**) or the Stockholm interbank offered rate (**STIBOR**), as specified in the applicable Final Terms) which appears or appear, as the case may be, on the Relevant Screen Page (or such replacement page on that service which displays the information) as at the Specified Time on the Interest Determination Date in question plus or minus (as indicated in the applicable Final Terms) the Margin (if any), all as determined by the Agent. If five or more of such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Agent for the purpose of determining the arithmetic mean (rounded as provided above) of such offered quotations.
 - (ii) If the Relevant Screen Page is not available or if, in the case of (A) above, no offered quotation appears or, in the case of (B) above, fewer than three offered quotations appear, in each case as at the Specified Time, the Reference Banks Agent shall request each of the Reference Banks to provide the Reference Banks Agent with its offered quotation (expressed as a percentage rate per annum) for the Reference Rate at approximately the Specified Time on the Interest Determination Date in question. If two or more of the Reference Banks provide the Reference Banks Agent with offered quotations, the Rate of Interest for the Interest Period shall be the arithmetic mean (rounded if necessary to the fifth decimal place with 0.000005 being rounded upwards) of the offered quotations plus or minus (as appropriate) the Margin (if any), all as determined by the Agent.
 - (iii) If on any Interest Determination Date one only or none of the Reference Banks provides the Reference Banks Agent with an offered quotation as provided in the preceding paragraph, the Rate of Interest for the relevant Interest Period shall be the rate per annum which the Agent determines as being the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the rates, as communicated to (and at the request of) the Reference Banks Agent by the Reference Banks or any two or more of them, at which such banks were offered, at approximately the Specified Time on the relevant Interest Determination Date, deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate by leading banks in the Euro-zone inter-bank market (if the Reference Rate is EURIBOR), the Norwegian inter-bank market (if the Reference Rate is NIBOR) or the Swedish inter-bank market (if the Reference Rate is STIBOR) plus or minus (as appropriate) the Margin (if any) or, if fewer than two of the Reference Banks provide the Reference Banks Agent with

offered rates, the offered rate for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, or the arithmetic mean (rounded as provided above) of the offered rates for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, at which, at approximately the Specified Time on the relevant Interest Determination Date, any one or more banks (which bank or banks is or are in the opinion of the Issuer suitable for the purpose) informs the Reference Banks Agent it is quoting to leading banks in the Euro-zone inter-bank market (if the Reference Rate is EURIBOR), the Norwegian inter-bank market (if the Reference Rate is NIBOR) or the Swedish inter-bank market (if the Reference Rate is STIBOR) plus or minus (as appropriate) the Margin (if any), provided that, if the Rate of Interest cannot be determined in accordance with the foregoing provisions of this paragraph, the Rate of Interest shall be determined as at the last preceding Interest Determination Date (though substituting, where a different Margin is to be applied to the relevant Interest Period from that which applied to the last preceding Interest Period, the Margin relating to the relevant Interest Period in place of the Margin relating to that last preceding Interest Period).

(c) Minimum Rate of Interest and/or Maximum Rate of Interest

If the applicable Final Terms specifies a Minimum Rate of Interest for any Interest Period, then, in the event that the Rate of Interest in respect of such Interest Period determined in accordance with the provisions of paragraph (b) above is less than such Minimum Rate of Interest, the Rate of Interest for such Interest Period shall be such Minimum Rate of Interest.

If the applicable Final Terms specifies a Maximum Rate of Interest for any Interest Period, then, in the event that the Rate of Interest in respect of such Interest Period determined in accordance with the provisions of paragraph (b) above is greater than such Maximum Rate of Interest, the Rate of Interest for such Interest Period shall be such Maximum Rate of Interest.

(d) Determination of Rate of Interest and calculation of Interest Amounts

The Agent will at or as soon as practicable after each time at which the Rate of Interest is to be determined, determine the Rate of Interest for the relevant Interest Period.

The Agent will calculate the amount of interest (the **Interest Amount**) payable on the Notes for the relevant Interest Period by applying the Rate of Interest to:

- (A) in the case of Notes which are represented by a Global Note, the aggregate outstanding nominal amount of the Notes represented by such Global Note; or
- (B) in the case of Notes in definitive form, the Calculation Amount,

and, in each case, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention. Where the Specified Denomination of a Note in definitive form is a multiple of the Calculation Amount, the Interest Amount payable in respect of such Note shall be the product of the amount (determined in the manner provided above) for the Calculation Amount and the amount by which the Calculation Amount is multiplied to reach the Specified Denomination, without any further rounding.

(e) Linear Interpolation

Where Linear Interpolation is specified as applicable in respect of an Interest Period in the applicable Final Terms, the Rate of Interest for such Interest Period shall be calculated by the Agent by straight line linear interpolation by reference to two rates based on the relevant Reference Rate, one of which shall be determined as if the Designated Maturity were the period of time for which rates are available next shorter than the length of the relevant Interest Period and the other of which shall be determined as if the Designated Maturity were the period of time for which rates are available next longer than the length of the relevant Interest Period provided however that if there is no rate available for a period of time next shorter or, as the case may be, next longer, then the Agent shall determine such rate at such time and by reference to such sources as the Issuer notifies to it.

(f) Notification of Rate of Interest and Interest Amounts

The Agent will cause the Rate of Interest and each Interest Amount for each Interest Period and the relevant Interest Payment Date to be notified to the Issuer and any stock exchange on which the relevant Notes are for the time being listed and notice thereof to be published in accordance with Condition 14 as soon as possible

after their determination but in no event later than the fourth London Business Day thereafter. Each Interest Amount and Interest Payment Date so notified may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without prior notice in the event of an extension or shortening of the Interest Period. Any such amendment will promptly be notified to each stock exchange on which the relevant Notes are for the time being listed and to the Noteholders in accordance with Condition 14.

(g) Certificates to be final

All certificates, communications, opinions, determinations, calculations, quotations and decisions given, expressed, made or obtained for the purposes of the provisions of this Condition 5.2, whether by the Agent, the Reference Banks Agent or, if applicable, the Calculation Agent, shall (in the absence of wilful default, bad faith, manifest error or proven error) be binding on the Issuer, the Agent, the other Paying Agents and all Noteholders and Couponholders and (in the absence of wilful default or bad faith) no liability to the Issuer, the Noteholders or the Couponholders shall attach to the Agent or in connection with the exercise or non-exercise by it of its powers, duties and discretions pursuant to such provisions.

5.3 Interest on Reset Notes

This Condition 5.3 applies only to Reset Notes and references to “Notes” in this Condition 5.3 shall be construed accordingly.

(a) Rate of Interest

Each Note bears interest:

- (i) from (and including) the Interest Commencement Date to (but excluding) the First Reset Date (the **Initial Period**), at the Initial Rate of Interest;
- (ii) for the First Reset Period, at the First Reset Rate of Interest; and
- (iii) for each Subsequent Reset Period thereafter (if any) to (but excluding) the Maturity Date, at the relevant Subsequent Reset Rate of Interest.

Interest will be payable, in each case, in arrear on the Interest Payment Date(s) in each year up to (and including) the Maturity Date.

If the Notes are in definitive form, except as provided in the applicable Final Terms, the amount of interest payable on each Interest Payment Date in respect of each Interest Period falling in the Initial Period will amount to the Fixed Coupon Amount. Payments of interest on the first Interest Payment Date will, if so specified in the applicable Final Terms, amount to the Broken Amount so specified.

The Calculation Agent will at or as soon as practicable after each time at which a Rate of Interest in respect of a Reset Period is to be determined, determine the relevant Rate of Interest for such Reset Period.

Except in the case of Notes in definitive form where a Fixed Coupon Amount or Broken Amount is specified in the applicable Final Terms, the Agent will calculate the amount of interest (the **Reset Notes Interest Amount**) payable on the Reset Notes for the relevant Interest Period by applying the relevant Rate of Interest to:

- (A) in the case of Notes which are represented by a Global Note, the aggregate outstanding nominal amount of the Notes represented by such Global Note; or
- (B) in the case of Notes in definitive form, the Calculation Amount,

and, in each case, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention. Where the Specified Denomination of a Note in definitive form is a multiple of the Calculation Amount, the Reset Notes Interest Amount payable in respect of such Note shall be the product of the amount (determined in the manner provided above) for the Calculation Amount and the amount by which the Calculation Amount is multiplied to reach the Specified Denomination, without any further rounding.

(b) Fallbacks

This Condition 5.3(b) applies only if the Reset Reference Rate is specified in the applicable Final Terms as Mid-Swap Rate.

If on any Reset Determination Date, the Relevant Screen Page is not available or the Reset Reference Rate does not appear on the Relevant Screen Page as at the Specified Time on such Reset Determination Date, the

Rate of Interest applicable to the Notes in respect of each Interest Period falling in the relevant Reset Period will be determined by the Calculation Agent, on the following basis:

- (i) the Reference Banks Agent shall request each of the Reset Reference Banks to provide the Calculation Agent with its Mid-Market Swap Rate Quotation as at approximately the Specified Time on the Reset Determination Date in question;
- (ii) if at least three of the Reset Reference Banks provide the Calculation Agent with Mid-Market Swap Rate Quotations, the First Reset Rate of Interest or the Subsequent Reset Rate of Interest (as applicable) for the relevant Reset Period will be equal to the sum of (A) the arithmetic mean (rounded, if necessary, to the nearest 0.001 per cent. (0.0005 per cent. being rounded upwards)) of the relevant quotations provided, eliminating the highest quotation (or, in the event of equality, one of the highest) and the lowest (or, in the event of equality, one of the lowest) and (B) the Relevant Reset Margin, all as determined by the Calculation Agent;
- (iii) if only two relevant quotations are provided, the First Reset Rate of Interest or the Subsequent Reset Rate of Interest (as applicable) for the relevant Reset Period will be equal to the sum of (A) the arithmetic mean (rounded as aforesaid) of the relevant quotations provided and (B) the Relevant Reset Margin, all as determined by the Calculation Agent;
- (iv) if only one relevant quotation is provided, the First Reset Rate of Interest or the Subsequent Reset Rate of Interest (as applicable) for the relevant Reset Period will be equal to the sum of (A) the relevant quotation provided and (B) the Relevant Reset Margin, all as determined by the Calculation Agent; and
- (v) if none of the Reset Reference Banks provides the Calculation Agent with a Mid-Market Swap Rate Quotation as provided in the foregoing provisions of this Condition 5.3, the First Reset Rate of Interest or the Subsequent Reset Rate of Interest (as applicable) will be equal to the sum of:
 - (A) if Initial Mid-Swap Rate Final Fallback is specified in the applicable Final Terms as being applicable, (A) the Initial Mid-Swap Rate and (B) the Relevant Reset Margin;
 - (B) if Reset Maturity Initial Mid-Swap Rate Final Fallback is specified in the applicable Final Terms as being applicable, (A) the Reset Period Maturity Initial Mid-Swap Rate and (B) the Relevant Reset Margin;
 - (C) if Last Observable Mid-Swap Rate Final Fallback is specified in the applicable Final Terms as being applicable, (A) the last observable rate for swaps in the Specified Currency with a term equal to the relevant Reset Period which appears on the Relevant Screen Page and (B) the Relevant Reset Margin,all as determined by the Calculation Agent and (if the Calculation Agent is not the Agent) notified to the Agent.

(c) Reset Reference Rate Conversion

This Condition 5.3(c) is only applicable if Reset Reference Rate Conversion is specified in the applicable Final Terms as being applicable. If Reset Reference Rate Conversion is so specified as being applicable, the First Reset Rate of Interest and, if applicable, each Subsequent Reset Rate of Interest will be converted by the Calculation Agent from the Original Reference Rate Payment Basis specified in the applicable Final Terms to a basis which matches the per annum frequency of Interest Payment Dates in respect of the Notes (such calculation to be determined by the Issuer in conjunction with a leading financial institution selected by it).

(d) Notification of Rate of Interest and Interest Amounts

In respect of a Reset Period, the Agent will cause the relevant Rate of Interest in respect of such Reset Period and each Reset Notes Interest Amount for each Interest Period falling in such Reset Period to be notified to the Issuer and any stock exchange on which the relevant Reset Notes are for the time being listed and notice thereof to be published in accordance with Condition 14 as soon as possible after their determination but in no event later than the fourth London Business Day thereafter. Each Reset Notes Interest Amount so notified may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without prior notice in the event of an extension or shortening of the Interest Period. Any such amendment will be promptly notified to each stock exchange on which the relevant Notes are for the time being listed and to the Noteholders in accordance with Condition 14.

(e) **Certificates to be final**

All certificates, communications, opinions, determinations, calculations, quotations and decisions given, expressed, made or obtained for the purposes of this Condition 5.3, whether by the Agent or, if applicable, the Calculation Agent shall (in the absence of wilful default, bad faith or manifest error) be binding on the Issuer, the Agent, Reference Banks Agent, the Calculation Agent (if applicable), the other Paying Agents and all Noteholders and Couponholders.

5.4 Reference Rate Replacement

If:

- (a) Reference Rate Replacement is specified in the applicable Final Terms and either (i) the Notes are Reset Notes and Mid-Swap Rate is specified in the applicable Final Terms as the Reset Reference Rate or (ii) the Notes are Floating Rate Notes; and
- (b) notwithstanding the provisions of Condition 5.2(b) or 5.3(b), as applicable, the Issuer determines that a Benchmark Event has occurred when any Rate of Interest (or component part thereof) remains to be determined by reference to the relevant Original Reference Rate,

then the following provisions shall apply to the Notes:

- (i) The Issuer shall use its reasonable endeavours to appoint an Independent Adviser (on the terms described in Condition 5.4(b)(ii) below), as soon as reasonably practicable, to consult with the Issuer in determining:
 - (A) a Successor Reference Rate; or
 - (B) if the Issuer fails so to determine a Successor Reference Rate, an Alternative Reference Rate, and, in either case, an Adjustment Spread (in any such case, acting in good faith and in a commercially reasonable manner) no later than twelve Business Days prior to the Reset Determination Date or Interest Determination Date, as applicable, relating to the next Reset Period or Interest Period, as applicable, (the **Issuer Determination Cut-off Date**), for the purposes of determining all future payments of interest on the Notes (subject to the subsequent operation of, and adjustment as provided in, this Condition 5.4).
- (ii) The Independent Adviser appointed pursuant to this Condition 5.4 shall act in good faith and in a commercially reasonable manner. In the absence of bad faith or fraud, the Independent Adviser shall have no liability whatsoever to the Issuer, the Agent, the other Paying Agents and all Noteholders and Couponholders, as applicable, for any determination made by the Issuer pursuant to this Condition 5.4.
- (iii) If a Successor Reference Rate or, failing which, an Alternative Reference Rate (as applicable) and, in either case, an Adjustment Spread is determined by the Issuer in accordance with this Condition 5.4:
 - (A) such Successor Reference Rate or Alternative Reference Rate (as applicable) shall subsequently be used in place of the relevant Original Reference Rate to determine the Rate of Interest (or the relevant component part thereof) for all future payments of interest on the Notes (subject to the subsequent operation of, and adjustment as provided in, this Condition 5.4);
 - (B) such Adjustment Spread shall be applied to such Successor Reference Rate or Alternative Reference Rate (as applicable) for all future payments of interest on the Notes (subject to the subsequent operation of, and adjustment as provided in, this Condition 5.4);
 - (C) the Issuer (following consultation with the Independent Adviser and acting in good faith and in a commercially reasonable manner) may in its discretion specify:
 - (i) (x) changes to the Conditions in order to follow market practice in relation to such Successor Reference Rate or Alternative Reference Rate (as applicable), including, but not limited to (i) the Additional Business Centre(s), Business Day, Business Day Convention, Day Count Fraction, Interest Determination Date, Reference Banks, Reset Reference Rate, Reset Reference Banks, Specified Time, Relevant Financial Centre, Reset Determination Date and/or Relevant Screen Page applicable to the Notes and (ii) the method for determining the fallback to the Rate

of Interest in relation to the Notes if such Successor Reference Rate or Alternative Reference Rate (as applicable) is not available; and

- (ii) (y) any other changes which the Issuer determines are reasonably necessary to ensure the proper operation and comparability to the relevant Original Reference Rate of such Successor Reference Rate or Alternative Reference Rate (as applicable),

which changes shall apply to the Notes for all future payments of interest on the Notes (subject to the subsequent operation of, and adjustment as provided in, this Condition 5.4); and

- (D) promptly (and in any event no later than ten Business Days prior to the relevant Interest Determination Date) following the occurrence of a Benchmark Event and the determination of any Successor Reference Rate or Alternative Reference Rate (as applicable) and, in either case, any Adjustment Spread, the Issuer shall give notice thereof (including, in the case of the appointment of an Independent Adviser, the name and contact details of such Independent Adviser) and of any changes (and the effective date thereof) pursuant to Condition 5.4(b)(iii)(C) to the Agent and the Noteholders in accordance with Condition 14.
- (iv) If (i) the Issuer is unable to appoint an Independent Adviser; or (ii) a Successor Reference Rate or an Alternative Reference Rate (as applicable) and, in either case, an Adjustment Spread is not determined pursuant to the operation of this Condition 5.4 prior to the relevant Issuer Determination Cut-off Date, then the Rate of Interest for the next Interest Period shall be determined by reference to the fallback provisions of Condition 5.2(b) or 5.3(b), as applicable.
- (c) No consent of the Noteholders shall be required in connection with effecting the relevant Successor Reference Rate or Alternative Reference Rate (as applicable) and, in either case, the relevant Adjustment Spread as described in this Condition 5.4 or such other relevant changes pursuant to Condition 5.4(b)(iii)(C), including for the execution of any documents or the taking of other steps by the Issuer or any of the parties to the Agency Agreement (if required).
- (d) Notwithstanding any other provision of this Condition 5.4, the Agent is not obliged to concur with the Issuer or the Independent Advisor in respect of any changes or amendments as contemplated under this Condition 5.4 which would have the effect of (i) exposing the Agent to any liability or (ii) increasing the obligations or duties, or decreasing the rights or protections, of the Agent in the Agency Agreement and/or these Conditions.
- (e) Notwithstanding any other provision of this Condition 5.4, if in the Agent's opinion there is any uncertainty between two or more alternative courses of action in making any determination or calculation under this Condition 5.4, the Agent shall promptly notify the Issuer and/or the Independent Advisor thereof and the Issuer shall direct the Agent in writing as to which alternative course of action to adopt. If the Agent is not promptly provided with such direction, or is otherwise unable to make such calculation or determination for any reason, it shall notify the Issuer and/or the Independent Advisor (as the case may be) thereof and the Agent shall be under no obligation to make such calculation or determination and shall not incur any liability for not doing so.
- (f) Notwithstanding any other provision of this Condition 5.4:
 - (i) no Successor Reference Rate or Alternative Reference Rate (as applicable) will be adopted, and no other amendments to the terms of the Notes will be made pursuant to this Condition 5.4, if and to the extent that, in the determination of the Issuer, the same could reasonably be expected to prejudice the qualification of the Notes as:
 - (A) in the case of Senior Preferred Notes and Senior Non-Preferred Notes, MREL Eligible Liabilities; or
 - (B) in the case of Subordinated Notes, Tier 2 Capital; and
 - (ii) in the case of Senior Preferred Notes and Senior Non-Preferred Notes only, no Successor Reference Rate or Alternative Reference Rate (as applicable) will be adopted, and no other amendments to the terms of the Notes will be made pursuant to this Condition 5.4, if and to the extent that, in the determination of the Issuer, the same could reasonably be expected to result in the Relevant Regulator treating the next Interest Payment Date as the effective maturity of the Notes, rather than the relevant Maturity Date.

5.5 Accrual of interest

Each Note (or in the case of the redemption of part only of a Note, that part only of such Note) will cease to bear interest (if any) from the date for its redemption unless, upon due presentation thereof, payment of principal is improperly withheld or refused. In such event, interest will continue to accrue until whichever is the earlier of:

- (a) the date on which all amounts due in respect of such Note have been paid; and
- (b) five days after the date on which the full amount of the moneys payable in respect of such Note has been received by the Agent and notice to that effect has been given to the Noteholders in accordance with Condition 14.

6. PAYMENTS

6.1 Method of payment

Subject as provided below:

- (a) payments in a Specified Currency other than euro will be made by credit or transfer to an account in the relevant Specified Currency maintained by the payee with, or, at the option of the payee, by a cheque in such Specified Currency drawn on, a bank in the principal financial centre of the country of such Specified Currency (which, if the Specified Currency is Australian dollars or New Zealand dollars, shall be Sydney and Auckland, respectively); and
- (b) payments in euro will be made by credit or transfer to a euro account (or any other account to which euro may be credited or transferred) specified by the payee or, at the option of the payee, by a euro cheque.

Payments will be subject in all cases to (i) any fiscal or other laws and regulations applicable thereto in the place of payment and (ii) any withholding or deduction required pursuant to an agreement described in Section 1471(b) of the U.S. Internal Revenue Code of 1986 (the **Code**) or otherwise imposed pursuant to Sections 1471 through 1474 of the Code, any regulations or agreements thereunder, any official interpretations thereof, or (without prejudice to the provisions of Condition 8) any law implementing an intergovernmental approach thereto.

6.2 Presentation of definitive Notes and Coupons

Payments of principal in respect of definitive Notes will (subject as provided below) be made in the manner provided in Condition 6.1 above only against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of definitive Notes, and payments of interest in respect of definitive Notes will (subject as provided below) be made as aforesaid only against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of Coupons, in each case at the specified office of any Paying Agent outside the United States (which expression, as used herein, means the United States of America (including the States and the District of Columbia and its possessions)).

Fixed Rate Notes in definitive form (other than Long Maturity Notes (as defined below)) should be presented for payment together with all unmaturing Coupons appertaining thereto (which expression shall for this purpose include Coupons falling to be issued on exchange of matured Talons), failing which the amount of any missing unmaturing Coupon (or, in the case of payment not being made in full, the same proportion of the amount of such missing unmaturing Coupon as the sum so paid bears to the sum due) will be deducted from the sum due for payment. Each amount of principal so deducted will be paid in the manner mentioned above against surrender of the relative missing Coupon at any time before the expiry of 10 years after the Relevant Date (as defined in Condition 8 below) in respect of such principal (whether or not such Coupon would otherwise have become void under Condition 9) or, if later, five years from the date on which such Coupon would otherwise have become due, but in no event thereafter.

Upon any Fixed Rate Note in definitive form becoming due and repayable prior to its Maturity Date, all unmaturing Talons (if any) appertaining thereto will become void and no further Coupons will be issued in respect thereof.

Upon the date on which any Floating Rate Note, Reset Note or Long Maturity Note in definitive form becomes due and repayable, unmaturing Coupons and Talons (if any) relating thereto (whether or not attached) shall become void and no payment or, as the case may be, exchange for further Coupons shall be made in respect thereof. A **Long Maturity Note** is a Fixed Rate Note (other than a Fixed Rate Note which on issue had a Talon attached) whose nominal amount on issue is less than the aggregate interest payable thereon provided

that such Note shall cease to be a Long Maturity Note on the Interest Payment Date on which the aggregate amount of interest remaining to be paid after that date is less than the nominal amount of such Note.

If the due date for redemption of any definitive Note is not an Interest Payment Date, interest (if any) accrued in respect of such Note from (and including) the preceding Interest Payment Date or, as the case may be, the Interest Commencement Date shall be payable only against surrender of the relevant definitive Note.

6.3 Payments in respect of Global Notes

Payments of principal and interest (if any) in respect of Notes represented by any Global Note will (subject as provided below) be made in the manner specified above in relation to definitive Notes and otherwise in the manner specified in the relevant Global Note against presentation or surrender, as the case may be, of such Global Note at the specified office of any Paying Agent outside the United States. A record of each payment made against presentation or surrender of any Global Note, distinguishing between any payment of principal and any payment of interest, will be made on such Global Note by the Paying Agent to which it was presented and such record shall be prima facie evidence that the payment in question has been made.

6.4 General provisions applicable to payments

The holder of a Global Note shall be the only person entitled to receive payments in respect of Notes represented by such Global Note and the Issuer will be discharged by payment to, or to the order of, the holder of such Global Note in respect of each amount so paid. Each of the persons shown in the records of Euroclear or Clearstream, Luxembourg as the beneficial holder of a particular nominal amount of Notes represented by such Global Note must look solely to Euroclear or Clearstream, Luxembourg, as the case may be, for their share of each payment so made by the Issuer to, or to the order of, the holder of such Global Note.

Notwithstanding the foregoing provisions of this Condition, if any amount of principal and/or interest in respect of Notes is payable in U.S. dollars, such U.S. dollar payments of principal and/or interest in respect of such Notes will be made at the specified office of a Paying Agent in the United States if:

- (a) the Issuer has appointed Paying Agents with specified offices outside the United States with the reasonable expectation that such Paying Agents would be able to make payment in U.S. dollars at such specified offices outside the United States of the full amount of principal and interest on the Notes in the manner provided above when due;
- (b) payment of the full amount of such principal and interest at all such specified offices outside the United States is illegal or effectively precluded by exchange controls or other similar restrictions on the full payment or receipt of principal and interest in U.S. dollars; and
- (c) such payment is then permitted under United States law without involving, in the opinion of the Issuer, adverse tax consequences to the Issuer.

6.5 Payment Day

If the date for payment of any amount in respect of any Note or Coupon is not a Payment Day, the holder thereof shall not be entitled to payment until the next following Payment Day in the relevant place and shall not be entitled to further interest or other payment in respect of such delay.

6.6 Interpretation of principal and interest

Any reference in the Conditions to principal in respect of the Notes shall be deemed to include, as applicable:

- (a) the Final Redemption Amount of the Notes;
- (b) the Early Redemption Amount of the Notes;
- (c) the Optional Redemption Amount(s) (if any) of the Notes;
- (d) in relation to Zero Coupon Notes, the Amortised Face Amount (as defined in Condition 7.7); and
- (e) any premium and any other amounts (other than interest) which may be payable by the Issuer under or in respect of the Notes.

Any reference in the Conditions to interest in respect of the Notes shall be deemed to include, as applicable, any additional amounts which may be payable with respect to interest under Condition 8.

7. REDEMPTION AND PURCHASE

7.1 Redemption at maturity

Unless previously redeemed or purchased and cancelled as specified below or (if applicable, pursuant to Condition 7.12 or Condition 7.13) substituted, each Note will be redeemed by the Issuer at its Final Redemption Amount specified in the applicable Final Terms in the relevant Specified Currency on the Maturity Date specified in the applicable Final Terms.

7.2 Redemption for tax reasons

Subject, if applicable, to the provisions of Condition 7.11, the Notes may be redeemed at the option of the Issuer in whole, but not in part, at any time (if this Note is not a Floating Rate Note) or on an Interest Payment Date (if this Note is a Floating Rate Note), on giving not less than the minimum period nor more than the maximum period of notice specified in the applicable Final Terms to the Agent and in accordance with Condition 14, the Noteholders (which notice shall be irrevocable), if:

- (a) on the occasion of the next payment date due under the Notes, the Issuer has or will become obliged to pay additional amounts as provided or referred to in Condition 8 as a result of any change in, or amendment to, the laws or regulations of a Tax Jurisdiction (as defined in Condition 8) or any change in application or official interpretation of such laws or regulations, which change or amendment becomes effective on or after the date on which agreement is reached to issue the first Tranche of Notes; and
- (b) such obligation cannot be avoided by the Issuer taking reasonable measure available to it,

provided that no such notice of redemption shall be given earlier than 90 days prior to the earliest date on which the Issuer would be obliged to pay such additional amounts were a payment in respect of the Notes then due.

Prior to the publication of any notice of redemption pursuant to this Condition, the Issuer shall deliver to the Agent to make available at its specified office to the Noteholders (i) a certificate signed by two Directors of the Issuer stating that the Issuer is entitled to effect such redemption and setting forth a statement of facts showing that the conditions precedent to the right of the Issuer so to redeem have occurred and (ii) an opinion of independent legal advisers of recognised standing to the effect that the Issuer has or will become obliged to pay such additional amounts as a result of such change or amendment. Notes redeemed pursuant to this Condition 7.2 will be redeemed at their Early Redemption Amount referred to in Condition 7.7 below together (if appropriate) with interest accrued to (but excluding) the date of redemption.

7.3 Redemption at the option of the Issuer (Issuer Call)

This Condition 7.3 is not applicable for Subordinated Notes prior to five years from their Issue Date and references to “Notes” in this Condition 7.3 shall be construed accordingly.

If Issuer Call is specified as being applicable in the applicable Final Terms, subject, if applicable, to the provisions of Condition 7.11, the Issuer may, having given not less than the minimum period nor more than the maximum period of notice specified in applicable Final Terms to the Noteholders in accordance with Condition 14 (which notice shall be irrevocable and shall specify the date fixed for redemption), redeem all or some only of the Notes then outstanding on any Optional Redemption Date and at the Optional Redemption Amount(s) specified in the applicable Final Terms together, if appropriate, with interest accrued to (but excluding) the relevant Optional Redemption Date. Any such redemption must be of a nominal amount not less than the Minimum Redemption Amount and not more than the Maximum Redemption Amount, in each case as may be specified in the applicable Final Terms.

If **Sterling Make-Whole Redemption Amount** is specified in the applicable Final Terms as the Optional Redemption Amount, the Optional Redemption Amount shall be equal to the higher of (i) 100 per cent. of the principal amount outstanding of the Notes to be redeemed or (ii) the principal amount outstanding of the Notes to be redeemed multiplied by the price, as reported to the Issuer by the Financial Adviser, at which the Gross Redemption Yield on such Notes on the Reference Date is equal to the Gross Redemption Yield (determined by reference to the middle market price) at the Quotation Time specified in the applicable Final Terms on the Reference Date of the Reference Bond, plus the Redemption Margin, all as determined by the Financial Adviser.

If **Non-Sterling Make-Whole Redemption Amount** is specified in the applicable Final Terms as the Optional Redemption Amount, the Optional Redemption Amount shall be an amount calculated by the Financial Adviser equal to the higher of (i) 100 per cent. of the principal amount outstanding of the Notes to be

redeemed or (ii) the sum of the present values of the principal amount outstanding of the Notes to be redeemed and the Remaining Term Interest on such Note (exclusive of interest accrued to the date of redemption) discounted to the date of redemption on an annual basis at the Reference Bond Rate, plus the Redemption Margin.

All certificates, communications, opinions, determinations, calculations, quotations and decisions given, expressed, made or obtained for the purposes of the provisions of this Condition 7.3, by the Financial Adviser, shall (in the absence of wilful default, bad faith, manifest error or proven error) be binding on the Issuer, the Agent, the other Paying Agents and all Noteholders and Couponholders and (in the absence of wilful default or bad faith) no liability to the Issuer, the Noteholders or the Couponholders shall attach to the Agent or in connection with the exercise or non-exercise by it of its powers, duties and discretions pursuant to such provisions.

In the case of a partial redemption of Notes, the Notes to be redeemed (**Redeemed Notes**) will be selected individually by lot, in the case of Redeemed Notes represented by definitive Notes, and in accordance with the rules of Euroclear and/or Clearstream, Luxembourg (to be reflected in the records of Euroclear and Clearstream, Luxembourg as either a pool factor or a reduction in nominal amount, at their discretion) in the case of Redeemed Notes represented by a Global Note, not more than 30 days prior to the date fixed for redemption (such date of selection being hereinafter called the **Selection Date**). In the case of Redeemed Notes represented by definitive Notes, a list of the serial numbers of such Redeemed Notes will be published in accordance with Condition 14 below not less than 15 days prior to the date fixed for redemption. No exchange of the relevant Global Note will be permitted during the period from (and including) the Selection Date to (and including) the date fixed for redemption pursuant to this Condition 7.3 and notice to that effect shall be given by the Issuer to the Noteholders in accordance with Condition 14 below at least 5 days prior to the Selection Date.

7.4 Redemption upon Capital Event – Subordinated Notes

This Condition 7.4 applies only to Subordinated Notes and where this Condition 7.4 is specified as being applicable in the applicable Final Terms and references to “Notes” and “Noteholders” in this Condition 7.4 shall be construed accordingly.

Subject, if applicable, to the provisions of Condition 7.11, the Notes may be redeemed at the option of the Issuer, in whole, but not in part, at any time (in the case of all Notes other than Floating Rate Notes) or on any Interest Payment Date (in the case of Floating Rate Notes) on giving not less than the minimum period nor more than the maximum period of notice specified in the applicable Final Terms to the Agent and, in accordance with Condition 14, the Noteholders (which notice shall be irrevocable) if a Capital Event has occurred.

Prior to the publication of any notice of redemption pursuant to this Condition 7.4, the Issuer shall deliver to the Agent to make available at its specified office to the Noteholders a certificate signed by two Directors of the Issuer stating that the Issuer is entitled to effect such redemption and setting forth a statement of facts showing that a Capital Event has occurred.

Notes redeemed pursuant to this Condition 7.4 will be redeemed at their Early Redemption Amount referred to in Condition 7.7 together (if appropriate) with interest accrued to (but excluding) the date of redemption.

7.5 Redemption upon MREL Disqualification Event – Senior Preferred Notes and Senior Non-Preferred Notes, where applicable

This Condition 7.5 applies only to Senior Preferred Notes and Senior Non-Preferred Notes, in each case, only where this Condition 7.5 is specified as being applicable in the applicable Final Terms and references to “Notes” and “Noteholders” in this Condition 7.5 shall be construed accordingly.

Subject, if applicable, to the provisions of Condition 7.11, the Notes may be redeemed at the option of the Issuer, in whole, but not in part, at any time (in the case of all Notes other than Floating Rate Notes) or on any Interest Payment Date (in the case of Floating Rate Notes) on giving not less than the minimum period nor more than the maximum period of notice specified in the applicable Final Terms to the Agent and, in accordance with Condition 14, the Noteholders (which notice shall be irrevocable) if a MREL Disqualification Event has occurred.

Prior to the publication of any notice of redemption pursuant to this Condition 7.5, the Issuer shall deliver to the Agent to make available at its specified office to the Noteholders a certificate signed by two Directors of the Issuer stating that the Issuer is entitled to effect such redemption and setting forth a statement of facts showing that a MREL Disqualification Event has occurred.

Notes redeemed pursuant to this Condition 7.5 will be redeemed at their Early Redemption Amount referred to in Condition 7.7 together (if appropriate) with interest accrued to (but excluding) the date of redemption.

7.6 Clean-up Call Option

Subject, if applicable, to the provisions of Condition 7.11, if Clean-up Call Option specified as being applicable in the applicable Final Terms and if, at any time, the aggregate outstanding nominal amount of the Notes of the relevant Series is 20 per cent. (or such other amount as may be specified as the Clean-up Call Threshold in the applicable Final Terms) or less of the aggregate nominal amount of Notes originally issued (and, for these purposes, any further Notes issued pursuant to Condition 16 and consolidated with the Notes as part of the same Series shall be deemed to have been originally issued), the Issuer may redeem all (but not some only) of the remaining outstanding Notes at any time (in the case of all Notes other than Floating Rate Notes) or on any Interest Payment Date (in the case of Floating Rate Notes) having given not less than the minimum period nor more than the maximum period of notice specified in applicable Final Terms to the Noteholders in accordance with Condition 14 (which notice shall be irrevocable and shall specify the date fixed for redemption), at the Optional Redemption Amount (Clean-up Call) (as specified in the applicable Final Terms) together (if appropriate) with interest accrued to (but excluding) the date of redemption.

7.7 Early Redemption Amounts

For the purpose of Condition 7.2, Condition 7.4 and Condition 7.5:

- (a) each Note (other than a Zero Coupon Note) will be redeemed at its Early Redemption Amount; and
- (b) each Zero Coupon Note will be redeemed at an amount (the **Amortised Face Amount**) calculated in accordance with the following formula:

$$\text{Early Redemption Amount} = \text{RP} \times (1 + \text{AY})^y$$

where:

RP means the Reference Price;

AY means the Accrual Yield expressed as a decimal; and

y is the Day Count Fraction specified in the applicable Final Terms which will be either (i) 30/360 (in which case the numerator will be equal to the number of days (calculated on the basis of a 360-day year consisting of 12 months of 30 days each) from (and including) the Issue Date of the first Tranche of the Notes to (but excluding) the date fixed for redemption (or as the case may be) the date upon which such Note becomes due and repayable and the denominator will be 360) or (ii) Actual/360 (in which case the numerator will be equal to the actual number of days from (and including) the Issue Date of the first Tranche of the Notes to (but excluding) the date fixed for redemption or (as the case may be) the date upon which such Note becomes due and repayable and the denominator will be 360) or (iii) actual/365 (in which case the numerator will be equal to the actual number of days from (and including) the Issue Date of the first Tranche of Notes to (but excluding) the date fixed for redemption or (as the case may be) the date upon which such Note becomes due and repayable and the denominator will be 365).

7.8 Purchases

Subject, if applicable, to the provisions of Conditions 7.11, the Issuer or any Subsidiary of the Issuer may purchase Notes (provided that, in the case of definitive Notes, all unmatured Coupons and Talons appertaining thereto are purchased therewith) at any price in the open market or otherwise. Such Notes may be held, reissued, resold or, at the option of the Issuer, surrendered to any Paying Agent for cancellation.

7.9 Cancellation

All Notes which are redeemed will forthwith be cancelled (together with all unmatured Coupons and Talons attached thereto or surrendered therewith at the time of redemption). All Notes so cancelled and the Notes purchased and cancelled pursuant to Condition 7.8 above (together with all unmatured Coupons and Talons cancelled therewith) shall be forwarded to the Agent and cannot be reissued or resold.

7.10 Late payment on Zero Coupon Notes

If the amount payable in respect of any Zero Coupon Note upon redemption of such Zero Coupon Note pursuant to Conditions 7.1, 7.2, 7.3, 7.4 or 7.5 or upon its becoming due and repayable as provided in Condition 10, as the case may be, is improperly withheld or refused, the amount due and repayable in respect of such Zero Coupon Note shall be the amount calculated as provided in Condition 7.7(b) above as though the

references therein to the date fixed for the redemption or the date upon which such Zero Coupon Note becomes due and payable were replaced by references to the date which is the earlier of:

- (a) the date on which all amounts due in respect of such Zero Coupon Note have been paid; and
- (b) five days after the date on which the full amount of the moneys payable in respect of such Zero Coupon Notes has been received by the Agent and notice to that effect has been given to the Noteholders in accordance with Condition 14.

7.11 Consent

No early redemption in any circumstances, purchase under Condition 7.8, substitution or variation under Condition 7.12 (in the case of Subordinated Notes) or substitution or variation under Condition 7.13 (in the case of Senior Non-Preferred Notes and Senior Preferred Notes) shall take place without the prior written permission of the Relevant Regulator (in each case, if, and to the extent, then required by the Relevant Regulator and, in the case of Senior Preferred Notes and Senior Non-Preferred Notes, by the Applicable MREL Regulations). In addition, in respect of any redemption of Subordinated Notes pursuant to Condition 7.2 or 7.4 only, and except to the extent the Relevant Regulator no longer so requires, the Issuer may only redeem the Subordinated Notes before five years after the Issue Date if the Issuer demonstrates to the satisfaction of the Relevant Regulator that the circumstance that entitles it to exercise such right of redemption was not reasonably foreseeable as at the Issue Date. For the avoidance of doubt, redemption of Senior Preferred Notes, Senior Non-Preferred Notes or Subordinated Notes under Condition 7.1 or repayment pursuant to Condition 10, as the case may be, shall not require the consent of the Relevant Regulator.

7.12 Substitution or Variation – Subordinated Notes

This Condition 7.12 applies only to Subordinated Notes and where this Condition 7.12 is specified as being applicable in the applicable Final Terms, and references to “Notes” and “Noteholders” in this Condition 7.12 shall be construed accordingly.

If at any time a Capital Event occurs and is continuing, or in order to ensure the effectiveness and enforceability of Condition 19, the Issuer may, subject to the provisions of Condition 7.11 (without any requirement for the consent or approval of the Noteholders) on giving not less than 30 nor more than 60 days’ notice to the Agent and, in accordance with Condition 14, the Noteholders (which notice shall be irrevocable) either substitute all (but not some only) of the Notes for, or vary the terms of the Notes (including changing the governing law of Condition 19, from English law to Norwegian law) so that they remain or, as appropriate, become, Qualifying Subordinated Securities (as defined below), provided that such substitution or variation does not itself give rise to any right of the Issuer to redeem the substituted or varied securities that are inconsistent with the redemption provisions of the Notes.

Any such substitution of the Notes for, or variation of the terms of the Notes so that they remain or, as appropriate, become, Qualifying Subordinated Securities as aforesaid, is subject to the Issuer delivering to the Agent in advance of any such substitution or variation, a certificate in the form described in the definition of Qualifying Subordinated Securities in accordance with the provisions thereof which the Agent shall make available at its specified office to the Noteholders.

7.13 Substitution or Variation – Senior Preferred Notes and Senior Non-Preferred Notes, where applicable

This Condition 7.13 applies only to Senior Preferred Notes and Senior Non-Preferred Notes, in each case, only where this Condition 7.13 is specified as being applicable in the applicable Final Terms and references to “Notes” and “Noteholders” in this Condition 7.13 shall be construed accordingly.

If at any time a MREL Disqualification Event occurs and is continuing, or in order to ensure the effectiveness and enforceability of Condition 19, the Issuer may, subject to the provisions of Condition 7.11 (without any requirement for the consent or approval of the Noteholders) on giving not less than 30 nor more than 60 days’ notice to the Agent and, in accordance with Condition 14, the Noteholders (which notice shall be irrevocable) either substitute all (but not some only) of the Notes for, or vary the terms of the Notes (including changing the governing law of Condition 19, from English law to Norwegian law) so that they remain or, as appropriate, become, Qualifying MREL Securities (as defined below), provided that such substitution or variation does not itself give rise to any right of the Issuer to redeem the substituted or varied securities that are inconsistent with the redemption provisions of the Notes.

Prior to any such substitution or variation of the Notes, the Issuer shall deliver to the Agent a certificate in the form described in the definition of Qualifying MREL Securities in accordance with the provisions thereof.

8. TAXATION

All payments in respect of the Notes and Coupons by or on behalf of the Issuer will be made without withholding or deduction for or on account of any present or future taxes or duties of whatever nature imposed or levied by or on behalf of any Tax Jurisdiction unless such withholding or deduction is required by law. In such event, in the case of a payment of interest only, the Issuer will pay such additional amounts as shall be necessary in order that the net amounts received by the holders of the Notes or Coupons after such withholding or deduction shall equal the respective amounts of principal and interest which would otherwise have been receivable in respect of the Notes or Coupons, as the case may be, in the absence of such withholding or deduction; except that no such additional amounts shall be payable with respect to any Note or Coupon:

- (a) presented for payment in Norway;
- (b) the holder of which is liable for such taxes in respect of such Note or Coupon by reason of their having some connection with a Tax Jurisdiction other than the mere holding of such Note or Coupon; or
- (c) presented for payment more than 30 days after the Relevant Date (as defined below) except to the extent that the holder thereof would have been entitled to an additional amount on presenting the same for payment on such thirtieth day assuming that day to have been a Payment Day (as defined in Condition 6.5).

As used herein:

Tax Jurisdiction means Norway or any political subdivision or any authority thereof or therein having power to tax (in the case of payments by the Issuer); and

Relevant Date means the date on which such payment first becomes due, except that, if the full amount of the moneys payable has not been duly received by the Agent on or prior to such due date, it means the date on which, the full amount of such moneys having been so received, notice to that effect is duly given to the Noteholders in accordance with Condition 14.

9. PRESCRIPTION

The Notes and Coupons will become void unless presented for payment within a period of 10 years (in the case of principal) and 5 years (in the case of interest) after the Relevant Date (as defined in Condition 8) therefor.

There shall not be included in any Coupon sheet issued on exchange of a Talon any Coupon the claim for payment in respect of which would be void pursuant to this Condition or Condition 6.2 or any Talon which would be void pursuant to Condition 6.2.

10. EVENTS OF DEFAULT

(a) Events of Default

If any one or more of the following events (each an **Event of Default**) shall occur and be continuing:

- (i) the Issuer goes into liquidation by way of public administration (except in connection with a merger or reorganisation in such a way that all or substantially all of the assets and liabilities of the Issuer (including its obligations in respect of the Notes) pass to another legal person in universal succession by operation of law); or
- (ii) insolvency proceedings are instituted against the Issuer which shall not have been dismissed or stayed within 60 days after institution, or if insolvency proceedings are instituted by the Issuer in respect of itself, and (in each case) such insolvency proceedings are continuing,

then any holder of any Notes may, by written notice to the Issuer at the specified office of the Agent, effective upon the date of receipt thereof by the Agent, declare any Notes held by the holder to be forthwith due and payable whereupon the same shall become forthwith due and payable at the Early Redemption Amount (as described in Condition 7.7), together with accrued interest (if any) to but excluding the date of repayment, without presentment, demand, protest or other notice of any kind.

(b) Limitation of remedy

Without prejudice to Noteholders' rights under Condition 10(a), no holder of a Note shall be entitled to take any steps, actions or proceedings against the Issuer to enforce any payment obligation of the Issuer under or arising from the Notes (including, without limitation, payment of any principal or interest in respect of the Notes, or any damages awarded for breach of any obligations in respect thereof), and in no event shall the

References in this Schedule to the **Notes** are to the Series of Notes in respect of which the meeting is, or is proposed to be, convened.

For the purposes of calculating a period of **clear days**, no account shall be taken of the day on which a period commences or the day on which a period ends.

2. EVIDENCE OF ENTITLEMENT TO ATTEND AND VOTE

2.1 The following persons (each an **Eligible Person**) are entitled to attend and vote at a meeting of the holders of Notes:

- (a) a holder of any Notes in definitive bearer form;
- (b) a bearer of any voting certificate in respect of the Notes; and
- (c) a proxy specified in any block voting instruction.

A Noteholder may require the issue by any Paying Agent of voting certificates and block voting instructions in accordance with the terms of subclauses 2.2 to 2.5 below.

For the purposes of subclauses 2.2 and 2.5 below, the Agent shall be entitled to rely, without further enquiry, on any information or instructions received from a relevant clearing system and shall have no liability to any Noteholder or other person for any loss, damage, cost, claim or other liability caused by its reliance on those instructions, nor for any failure by a relevant clearing system to deliver information or instructions to the Agent.

The holder of any voting certificate or the proxies named in any block voting instruction shall for all purposes in connection with the meeting or adjourned meeting be deemed to be the holder of the Notes to which the voting certificate or block voting instruction relates and the Paying Agent with which the Notes have been deposited or the person holding the Notes to the order or under the control of any Paying Agent shall be deemed for those purposes not to be the holder of those Notes.

2.2 Definitive Notes - voting certificate

A holder of a Note in definitive form may obtain a voting certificate in respect of that Note from a Paying Agent (unless the Note is the subject of a block voting instruction which has been issued and is outstanding in respect of the meeting specified in the voting certificate or any adjourned meeting) subject to the holder procuring that the Note is deposited with the Paying Agent or (to the satisfaction of the Paying Agent) is held to its order or under its control or blocked in an account with a relevant clearing system upon terms that the Note will not cease to be deposited or held or blocked until the first to occur of:

- (a) the conclusion of the meeting specified in the voting certificate or, if later, of any adjourned meeting; and
- (b) the surrender of the voting certificate to the Paying Agent who issued it.

2.3 Global Notes - voting certificate

A holder of a Note (not being a Note in respect of which instructions have been given to the Agent in accordance with subclause 2.5) represented by a Global Note may procure the delivery of a voting certificate in respect of that Note by giving notice to the relevant clearing system specifying by name a person (an **Identified Person**) (which need not be the holder himself) to collect the voting certificate and attend and vote at the meeting. The voting certificate will be made available at or shortly before the start of the meeting by the Agent against presentation by the Identified Person of the form of identification previously notified by the holder to the relevant clearing system. The relevant clearing system may prescribe forms of identification (including, without limitation,

passports) which it considers appropriate for these purposes. Subject to receipt by the Agent from the relevant clearing system, no later than 24 hours before the time for which the meeting is convened, of notification of the nominal amount of the Notes to be represented by any voting certificate and the form of identification against presentation of which the voting certificate should be released, the Agent shall, without any obligation to make further enquiry, make available voting certificates against presentation of forms of identification corresponding to those notified.

2.4 Definitive Notes - block voting instruction

A holder of a Note in definitive form may require a Paying Agent to issue a block voting instruction in respect of that Note (unless the Note is the subject of a voting certificate which has been issued and is outstanding in respect of the meeting specified in the block voting instruction or any adjourned meeting) by depositing the Note with the Paying Agent or (to the satisfaction of the Paying Agent) by:

- (a) procuring that, not less than 48 hours before the time fixed for the meeting, the Note is held to the Paying Agent's order or under its control or is blocked in an account with a relevant clearing system, in each case on terms that the Note will not cease to be so deposited or held or blocked until the first to occur of:
 - (i) the conclusion of the meeting specified in the block voting instruction or, if later, of any adjourned meeting; and
 - (ii) the surrender to the Paying Agent, not less than 48 hours before the time for which the meeting or any adjourned meeting is convened, of the receipt issued by the Paying Agent in respect of each deposited Note which is to be released or (as the case may require) the Note ceasing with the agreement of the Paying Agent to be held to its order or under its control or to be blocked and the giving of notice by the Paying Agent to the Issuer in accordance with subclause 2.5 of the necessary amendment to the block voting instruction; and
- (b) instructing the Paying Agent that the vote(s) attributable to each Note so deposited or held or blocked should be cast in a particular way in relation to the resolution or resolutions to be put to the meeting or any adjourned meeting and that the instruction is, during the period commencing 48 hours before the time for which the meeting or any adjourned meeting is convened and ending at the conclusion or adjournment of the meeting, neither revocable nor capable of amendment.

2.5 Global Notes - block voting instruction

- (a) A holder of a Note (not being a Note in respect of which a voting certificate has been issued) represented by a Global Note may require the Agent to issue a block voting instruction in respect of the Note by first instructing the relevant clearing system to procure that the votes attributable to the holder's Note should be cast at the meeting in a particular way in relation to the resolution or resolutions to be put to the meeting. Any such instruction shall be given in accordance with the rules of the relevant clearing system then in effect. Subject to receipt by the Agent, no later than 24 hours before the time for which the meeting is convened, of (i) instructions from the relevant clearing system, (ii) notification of the nominal amount of the Notes in respect of which instructions have been given and (iii) the manner in which the votes attributable to the Notes should be cast, the Agent shall, without any obligation to make further enquiry, attend the meeting and cast votes in accordance with those instructions.

- (b) Each block voting instruction shall be deposited by the relevant Paying Agent at the place specified by the Agent for the purpose not less than 24 hours before the time appointed for holding the meeting or adjourned meeting at which the proxies named in the block voting instruction propose to vote, and in default the block voting instruction shall not be treated as valid unless the Chairman of the meeting decides otherwise before the meeting or adjourned meeting proceeds to business. A notarially certified copy of each block voting instruction shall (if so requested by the Issuer) be deposited with the Issuer before the start of the meeting or adjourned meeting but the Issuer shall not as a result be obliged to investigate or be concerned with the validity of or the authority of the proxies named in the block voting instruction.
- (c) Any vote given in accordance with the terms of a block voting instruction shall be valid notwithstanding the previous revocation or amendment of the block voting instruction or of any of the instructions of the relevant Noteholder or the relevant clearing system (as the case may be) pursuant to which it was executed provided that no indication in writing of any revocation or amendment has been received from the relevant Paying Agent by the Issuer at its registered office by the time being 24 hours before the time appointed for holding the meeting or adjourned meeting at which the block voting instruction is to be used.

3. CONVENING OF MEETINGS, QUORUM, ADJOURNED MEETINGS

- 3.1 The Issuer may at any time and, if required in writing by Noteholders holding not less than 5 per cent. in nominal amount of the Notes for the time being outstanding, shall convene a meeting of the Noteholders and if the Issuer fails for a period of seven days to convene the meeting the meeting may be convened by the relevant Noteholders. Whenever the Issuer is about to convene any meeting it shall immediately give notice in writing to the Agent and the Dealers of the day, time and place of the meeting (which need not be a physical place and instead may be by way of conference call, including by use of a videoconference platform) and of the nature of the business to be transacted at the meeting. Every meeting shall be held at a time and place approved by the Agent.
- 3.2 At least 21 clear days' notice specifying the place, day and hour of the meeting shall be given to the Noteholders in the manner provided in Condition 14. The notice, which shall be in the English language, shall state generally the nature of the business to be transacted at the meeting and, in the case of an Extraordinary Resolution only, shall either (i) specify the terms of the Extraordinary Resolution to be proposed or (ii) inform Noteholders that the terms of the Extraordinary Resolution are available free of charge from the Agent, provided that, in the case of (ii), such resolution is so available in its final form with effect on and from the date on which the notice convening such meeting is given as aforesaid. The notice shall include statements as to the manner in which Noteholders may arrange for voting certificates or block voting instructions to be issued and, if applicable, appoint proxies or representatives or (ii) inform Noteholders that details of the voting arrangements are available free of charge from the Agent, provided that, in the case of (ii) the final form of such details are so available with effect on and from the date on which the notice convening such meeting is given as aforesaid. A copy of the notice shall be sent by post to the Issuer (unless the meeting is convened by the Issuer).
- 3.3 The person (who may but need not be a Noteholder) nominated in writing by the Issuer shall be entitled to take the chair at each meeting but if no nomination is made or if at any meeting the person nominated is not present within 15 minutes after the time appointed for holding the meeting the Noteholders present shall choose one of their number to be Chairman failing which the Issuer may appoint a Chairman. The Chairman of an adjourned meeting need not be the same person as was Chairman of the meeting from which the adjournment took place.
- 3.4 At any meeting one or more Eligible Persons present and holding or representing in the aggregate not less than 5 per cent. in nominal amount of the Notes for the time being outstanding shall (except

for the purpose of passing an Extraordinary Resolution) form a quorum for the transaction of business and no business (other than the choosing of a Chairman) shall be transacted at any meeting unless the required quorum is present at the commencement of business. The quorum at any meeting for passing an Extraordinary Resolution shall (subject as provided below) be one or more Eligible Persons present and holding or representing in the aggregate not less than 50 per cent. in nominal amount of the Notes for the time being outstanding provided that at any meeting the business of which includes any of the following matters (each of which shall only be capable of being effected after having been approved by Extraordinary Resolution):

- (a) modification of the Maturity Date of the Notes or reduction or cancellation of the nominal amount payable at maturity; or
- (b) reduction or cancellation of the amount payable or modification of the payment date in respect of any interest in respect of the Notes or variation of the method of calculating the rate of interest in respect of the Notes; or
- (c) reduction of any Minimum Rate of Interest and/or Maximum Rate of Interest specified in the applicable Final Terms; or
- (d) modification of the currency in which payments under the Notes are to be made; or
- (e) modification of the majority required to pass an Extraordinary Resolution; or
- (f) the sanctioning of any scheme or proposal described in subclause 4.9(f); or
- (g) alteration of this proviso or the proviso to subclause 3.5 below,

the quorum shall be one or more Eligible Persons present and holding or representing in the aggregate not less than two-thirds in nominal amount of the Notes for the time being outstanding.

3.5 If within 15 minutes (or such longer period not exceeding 30 minutes as the Chairman may decide) after the time appointed for any meeting a quorum is not present for the transaction of any particular business, then, subject and without prejudice to the transaction of the business (if any) for which a quorum is present, the meeting shall if convened by Noteholders be dissolved. In any other case it shall be adjourned to the same day in the next week (or if that day is a public holiday the next following business day) at the same time and place (except in the case of a meeting at which an Extraordinary Resolution is to be proposed in which case it shall be adjourned for a period being not less than 14 clear days nor more than 42 clear days and at a place appointed by the Chairman and approved by the Agent). If within 15 minutes (or a longer period not exceeding 30 minutes as the Chairman may decide) after the time appointed for any adjourned meeting a quorum is not present for the transaction of any particular business, then, subject and without prejudice to the transaction of the business (if any) for which a quorum is present, the Chairman may either dissolve the meeting or adjourn it for a period, being not less than 14 clear days (but without any maximum number of clear days) and to a place as may be appointed by the Chairman (either at or after the adjourned meeting) and approved by the Agent, and the provisions of this sentence shall apply to all further adjourned meetings.

3.6 At any adjourned meeting one or more Eligible Persons present (whatever the nominal amount of the Notes so held or represented by them) shall (subject as provided below) form a quorum and shall (subject as provided below) have power to pass any Extraordinary Resolution or other resolution and to decide upon all matters which could properly have been dealt with at the meeting from which the adjournment took place had the required quorum been present provided that at any adjourned meeting the business of which includes any of the matters specified in the proviso to subclause 3.4

the quorum shall be one or more Eligible Persons present and holding or representing in the aggregate not less than one-third in nominal amount of the Notes for the time being outstanding.

- 3.7 Notice of any adjourned meeting at which an Extraordinary Resolution is to be submitted shall be given in the same manner as notice of an original meeting but as if 10 were substituted for 21 in subclause 3.2 and the notice shall state the relevant quorum. Subject to this it shall not be necessary to give any notice of an adjourned meeting.

4. CONDUCT OF BUSINESS AT MEETINGS

- 4.1 Every question submitted to a meeting shall be decided in the first instance by a show of hands and in the case of an equality of votes the Chairman shall both on a show of hands and on a poll have a casting vote in addition to the vote or votes (if any) to which he may be entitled as an Eligible Person.
- 4.2 At any meeting, unless a poll is (before or on the declaration of the result of the show of hands) demanded by the Chairman or the Issuer or by any Eligible Person present (whatever the nominal amount of the Notes held by him), a declaration by the Chairman that a resolution has been carried or carried by a particular majority or lost or not carried by a particular majority shall be conclusive evidence of the fact without proof of the number or proportion of the votes recorded in favour of or against the resolution.
- 4.3 Subject to subclause 4.5, if at any meeting a poll is demanded it shall be taken in the manner and, subject as provided below, either at once or after an adjournment as the Chairman may direct and the result of the poll shall be deemed to be the resolution of the meeting at which the poll was demanded as at the date of the taking of the poll. The demand for a poll shall not prevent the continuance of the meeting for the transaction of any business other than the motion on which the poll has been demanded.
- 4.4 The Chairman may, with the consent of (and shall if directed by) any meeting, adjourn the meeting from time to time and from place to place. No business shall be transacted at any adjourned meeting except business which might lawfully (but for lack of required quorum) have been transacted at the meeting from which the adjournment took place.
- 4.5 Any poll demanded at any meeting on the election of a Chairman or on any question of adjournment shall be taken at the meeting without adjournment.
- 4.6 Any director or officer of the Issuer and its lawyers and financial advisers may attend and speak at any meeting. Subject to this, but without prejudice to the proviso to the definition of **outstanding** in clause 1 of this Agreement, no person shall be entitled to attend and speak nor shall any person be entitled to vote at any meeting of the Noteholders or join with others in requiring the convening of a meeting unless he is an Eligible Person. No person shall be entitled to vote at any meeting in respect of Notes held by, for the benefit of, or on behalf of the Issuer or any subsidiary of the Issuer (if any). Nothing contained in this paragraph shall prevent any of the proxies named in any block voting instruction from being a director, officer or representative of or otherwise connected with the Issuer.
- 4.7 Subject as provided in subclause 4.6, at any meeting:
- (a) on a show of hands every Eligible Person present shall have one vote; and
 - (b) on a poll every Eligible Person present shall have one vote in respect of:
 - (i) in the case of a meeting of the holders of Notes all of which are denominated in a single currency, each minimum integral amount of that currency; and

- (ii) in the case of a meeting of the holders of Notes denominated in more than one currency, each euro 1.00 or, in the case of a Note denominated in a currency other than euro, the equivalent of euro1.00 in that currency (calculated as specified in subclause 4.14),

or such other amount as the Agent shall in its absolute discretion specify in nominal amount of Notes in respect of which he is an Eligible Person.

Without prejudice to the obligations of the proxies named in any block voting instruction, any person entitled to more than one vote need not use all his votes or cast all the votes to which he is entitled in the same way.

4.8 The proxies named in any block voting instruction need not be Noteholders.

4.9 A meeting of the Noteholders shall in addition to the powers set out above have the following powers exercisable only by Extraordinary Resolution (subject to the provisions relating to quorum contained in subclauses 3.4 and 3.6), namely:

- (a) power to approve any compromise or arrangement proposed to be made between the Issuer and the Noteholders and Couponholders or any of them;
- (b) power to approve any abrogation, modification, compromise or arrangement in respect of the rights of the Noteholders and Couponholders against the Issuer or against any of its property whether these rights arise under this Agreement, the Notes or the Coupons or otherwise;
- (c) power to agree to any modification of the provisions contained in this Agreement or the Conditions, the Notes, the Coupons or the Deed of Covenant which is proposed by the Issuer;
- (d) power to give any authority or approval which under the provisions of this Schedule or the Notes is required to be given by Extraordinary Resolution;
- (e) power to appoint any persons (whether Noteholders or not) as a committee or committees to represent the interests of the Noteholders and to confer upon any committee or committees any powers or discretions which the Noteholders could themselves exercise by Extraordinary Resolution;
- (f) power to approve any scheme or proposal for the exchange or sale of the Notes for, or the conversion of the Notes into, or the cancellation of the Notes in consideration of, shares, stock, notes, bonds, debentures, debenture stock and/or other obligations and/or securities of the Issuer or any other company formed or to be formed, or for or into or in consideration of cash, or partly for or into or in consideration of shares, stock, notes, bonds, debentures, debenture stock and/or other obligations and/or securities as stated above and partly for or into or in consideration of cash; and
- (g) power to approve the substitution of any entity in place of the Issuer (or any previous substitute) as the principal debtor in respect of the Notes and the Coupons.

4.10 Any resolution passed at a meeting of the Noteholders duly convened and held in accordance with the provisions of this Schedule shall be binding upon all the Noteholders whether present or not present at the meeting and whether or not voting and upon all Couponholders and each of them shall be bound to give effect to the resolution accordingly and the passing of any resolution shall be conclusive evidence that the circumstances justify its passing. Notice of the result of voting on any resolution duly considered by the Noteholders shall be published in accordance with Condition 14 by

the Issuer within 14 days of the result being known provided that non-publication shall not invalidate the resolution.

- 4.11 The expression **Extraordinary Resolution** when used in this Schedule means (a) a resolution passed at a meeting of the Noteholders duly convened and held in accordance with the provisions of this Schedule by a majority consisting of not less than 75 per cent. of the persons voting on the resolution upon a show of hands or, if a poll was duly demanded, by a majority consisting of not less than 75 per cent. of the votes given on the poll or (b) a resolution in writing signed by or on behalf of all the Noteholders, which resolution in writing may be contained in one document or in several documents in similar form each signed by or on behalf of one or more of the Noteholders.
- 4.12 Minutes of all resolutions and proceedings at every meeting shall be made and duly entered in books to be from time to time provided for that purpose by the Issuer and any minutes signed by the Chairman of the meeting at which any resolution was passed or proceedings had shall be conclusive evidence of the matters contained in them and, until the contrary is proved, every meeting in respect of the proceedings of which minutes have been made shall be deemed to have been duly held and convened and all resolutions passed or proceedings had at the meeting to have been duly passed or had.
- 4.13 Subject to all other provisions contained in this Schedule the Agent may without the consent of the Issuer, the Noteholders or the Couponholders prescribe any other regulations regarding the calling and/or the holding of meetings of Noteholders and attendance and voting at them as the Agent may in its sole discretion think fit (including, without limitation, (i) the substitution for periods of 24 hours and 48 hours referred to in this Schedule of shorter periods and (ii) the holding of meetings by conference call, including by use of a videoconference platform in circumstances where it may be impractical or inadvisable to hold physical meetings). Any regulations prescribed by the Agent may but need not reflect the practices and facilities of any relevant clearing system. Notice of any other regulations may be given to Noteholders in accordance with Condition 15 and/or at the time of service of any notice convening a meeting.
- 4.14 (a) If and whenever the Issuer has issued and has outstanding Notes of more than one Series the previous provisions of this Schedule shall have effect subject to the following changes:
- (i) a resolution which affects the Notes of only one Series shall be deemed to have been duly passed if passed at a separate meeting of the holders of the Notes of that Series;
 - (ii) a resolution which affects the Notes of more than one Series but does not give rise to a conflict of interest between the holders of Notes of any of the Series so affected shall be deemed to have been duly passed if passed at a single meeting of the holders of the Notes of all the Series so affected;
 - (iii) a resolution which affects the Notes of more than one Series and gives or may give rise to a conflict of interest between the holders of the Notes of one Series or group of Series so affected and the holders of the Notes of another Series or group of Series so affected shall be deemed to have been duly passed only if it is duly passed at separate meetings of the holders of the Notes of each Series or group of Series so affected; and
 - (iv) to all such meetings all the preceding provisions of this Schedule shall *mutatis mutandis* apply as though references therein to Notes, Noteholders and holders were references to the Notes of the Series or group of Series in question or to the holders of such Notes, as the case may be.

- (b) If the Issuer has issued and has outstanding Notes which are not denominated in euro, or in the case of any meeting of holders of Notes of more than one currency, the nominal amount of such Notes shall:
- (i) for the purposes of subclause 3.1 above, be the equivalent in euro at the spot rate of a bank nominated by the Agent for the conversion of the relevant currency or currencies into euro on the seventh dealing day before the day on which the written requirement to call the meeting is received by the Issuer; and
 - (ii) for the purposes of subclauses 3.4, 3.6 and 4.7 above (whether in respect of the meeting or any adjourned meeting or any poll), be the equivalent at that spot rate on the seventh dealing day before the day of the meeting,

and, in all cases, the equivalent in euro of any Notes issued at a discount or a premium shall be calculated by reference to the original nominal amount of those Notes.

In the circumstances set out above, on any poll each person present shall have one vote for each euro 1.00 in nominal amount of the Notes (converted as above) which he holds or represents.

SCHEDULE 5

FORMS OF GLOBAL AND DEFINITIVE NOTES AND COUPONS AND TALONS

PART 1 OF SCHEDULE 5

FORM OF TEMPORARY GLOBAL NOTE

SPAREBANKEN SØR

TEMPORARY GLOBAL NOTE

This Global Note is a Temporary Global Note in respect of a duly authorised issue of Notes (the **Notes**) of Sparebanken Sør (the **Issuer**) described, and having the provisions specified, in Part A of the attached Final Terms (the **Final Terms**). References in this Global Note to the Conditions shall be to the Terms and Conditions of the Notes as set out in Schedule 2 to the Agency Agreement (as defined below) as completed by the information set out in the Final Terms, but in the event of any conflict between the provisions of (a) that Schedule or (b) this Global Note and the information set out in the Final Terms, the Final Terms will prevail.

Words and expressions defined or set out in the Conditions and/or the Final Terms shall have the same meaning when used in this Global Note.

This Global Note is issued subject to, and with the benefit of, the Conditions and an Amended and Restated Agency Agreement (the **Agency Agreement**, which expression shall be construed as a reference to that agreement as the same may be amended, supplemented, novated or restated from time to time) dated 29 September 2023 and made between the Issuer, Deutsche Bank AG, London Branch (the **Agent**) and the other agents named in it.

For value received the Issuer, subject to and in accordance with the Conditions, promises to pay to the bearer of this Global Note on the Maturity Date and/or on such earlier date(s) as all or any of the Notes represented by this Global Note may become due and repayable in accordance with the Conditions, the amount payable under the Conditions in respect of the Notes represented by this Global Note on each such date and to pay interest (if any) on the nominal amount of the Notes from time to time represented by this Global Note calculated and payable as provided in the Conditions together with any other sums payable under the Conditions, upon (if the Final Terms indicates that this Global Note is not intended to be a New Global Note) presentation and, at maturity, surrender of this Global Note to or to the order of the Agent or any of the other paying agents located outside the United States (except as provided in the Conditions) from time to time appointed by the Issuer in respect of the Notes, but in each case subject to the requirements as to certification provided below.

If the applicable Final Terms indicates that this Global Note is intended to be a New Global Note, the nominal amount of Notes represented by this Global Note shall be the aggregate amount from time to time entered in the records of both Euroclear Bank SA/NV and Clearstream Banking S.A. (together, the **relevant Clearing Systems**). The records of the relevant Clearing Systems (which expression in this Global Note means the records that each relevant Clearing System holds for its customers which reflect the amount of such customer's interest in the Notes) shall be conclusive evidence of the nominal amount of Notes represented by this Global Note and, for these purposes, a statement issued by a relevant Clearing System stating the nominal amount of Notes represented by this Global Note at any time (which statement shall be made available to the bearer upon request) shall be conclusive evidence of the records of the relevant Clearing System at that time.

If the applicable Final Terms indicates that this Global Note is not intended to be a New Global Note, the nominal amount of the Notes represented by this Global Note shall be the aggregate nominal amount stated in the applicable Final Terms or, if lower, the nominal amount most recently entered by or on behalf of the Issuer in the relevant column in Part 2 or 3 of Schedule One or in Schedule Two.

On any redemption or payment of interest being made in respect of, or purchase and cancellation of, any of the Notes represented by this Global Note the Issuer shall procure that:

- (a) if the applicable Final Terms indicates that this Global Note is intended to be a New Global Note, details of such redemption, payment or purchase and cancellation (as the case may be) shall be entered pro rata in the records of the relevant Clearing Systems and, upon any such entry being made, the nominal amount of the Notes recorded in the records of the relevant Clearing Systems and represented by this Global Note shall be reduced by the aggregate nominal amount of the Notes so redeemed or purchased and cancelled; or
- (b) if the applicable Final Terms indicates that this Global Note is not intended to be a New Global Note, details of such redemption, payment or purchase and cancellation (as the case may be) shall be entered by or on behalf of the Issuer in Schedule One and the relevant space in Schedule One recording any such redemption, payment or purchase and cancellation (as the case may be) shall be signed by or on behalf of the Issuer. Upon any such redemption or purchase and cancellation, the nominal amount of the Notes represented by this Global Note shall be reduced by the nominal amount of the Notes so redeemed or purchased and cancelled.

Payments due in respect of Notes for the time being represented by this Global Note shall be made to the bearer of this Global Note and each payment so made will discharge the Issuer's obligations in respect thereof. Any failure to make the entries referred to above shall not affect such discharge.

Prior to the Exchange Date (as defined below), all payments (if any) on this Global Note will only be made to the bearer hereof to the extent that there is presented to the Agent by a relevant Clearing System a certificate to the effect that it has received from or in respect of a person entitled to a particular nominal amount of the Notes (as shown by its records) a certificate of non-US beneficial ownership in the form required by it. The bearer of this Global Note will not be entitled to receive any payment of interest due on or after the Exchange Date unless upon due certification exchange of this Global Note is improperly withheld or refused.

On or after the date (the **Exchange Date**) which is 40 days after the Issue Date this Global Note may be exchanged in whole or in part (free of charge) for, as specified in the Final Terms, either (a) security printed Definitive Notes and (if applicable) Coupons and Talons in the form set out in Part 3, Part 4 and Part 5 respectively of Schedule 5 to the Agency Agreement (on the basis that all the appropriate details have been included on the face of such Definitive Notes and (if applicable) Coupons and Talons and the Final Terms (or the relevant provisions of the Final Terms) have been endorsed on or attached to such Definitive Notes) or (b) either, if the applicable Final Terms indicates that this Global Note is intended to be a New Global Note, interests recorded in the records of the relevant Clearing Systems in a Permanent Global Note or, if the applicable Final Terms indicates that this Global Note is not intended to be a New Global Note, a Permanent Global Note, which, in either case, is in or substantially in the form set out in Part 2 of Schedule 5 to the Agency Agreement (together with the Final Terms attached to it), in each case upon notice being given by a relevant Clearing System acting on the instructions of any holder of an interest in this Global Note.

If Definitive Notes and (if applicable) Coupons and/or Talons have already been issued in exchange for all the Notes represented for the time being by the Permanent Global Note, then this Global Note may only thereafter be exchanged for Definitive Notes and (if applicable) Coupons and/or Talons in accordance with the terms of this Global Note.

This Global Note may be exchanged by the bearer hereof on any day (other than a Saturday or Sunday) on which banks are open for general business in London. The Issuer shall procure that, as appropriate, (i) the Permanent Global Note (where the Final Terms indicates that this Global Note is not intended to be a New Global Note), shall be so issued and delivered, or (ii) the interests in the Permanent Global Note (where the Final Terms indicates that this Global Note is intended to be a New Global Note) recorded in the records of the relevant Clearing System in exchange for only that portion of this Global Note in respect of which there shall have been presented to the Agent by a relevant Clearing System a certificate to the effect that it has received from or in respect of a person entitled to a beneficial interest in a particular nominal amount of the Notes (as shown by its records) a certificate of non-US beneficial ownership from such person in the form required by it. The aggregate nominal amount of Definitive Notes or interests in a Permanent Global Note issued upon an exchange of this Global Note will, subject to the terms hereof, be equal to the aggregate nominal amount of this Global Note submitted by the bearer for exchange (to the extent that such nominal amount does not exceed the aggregate nominal amount of this Global Note).

On an exchange of the whole of this Global Note, this Global Note shall be surrendered to or to the order of the Agent. On an exchange of part only of this Global Note, the Issuer shall procure that:

- (a) if the applicable Final Terms indicates that this Global Note is intended to be a New Global Note, details of such exchange shall be entered pro rata in the records of the relevant Clearing Systems; or
- (b) if the applicable Final Terms indicates that this Global Note is not intended to be a New Global Note, details of such exchange shall be entered by or on behalf of the Issuer in Schedule Two and the relevant space in Schedule Two recording such exchange shall be signed by or on behalf of the Issuer, whereupon the nominal amount of this Global Note and the Notes represented by this Global Note shall be reduced by the nominal amount so exchanged. On any exchange of this Global Note for a Permanent Global Note, details of such exchange shall also be entered by or on behalf of the Issuer in Schedule Two to the Permanent Global Note and the relevant space in Schedule Two to the Permanent Global Note recording such exchange shall be signed by or on behalf of the Issuer.

Until the exchange of the whole of this Global Note, the bearer of this Global Note shall in all respects (except as otherwise provided in this Global Note) be entitled to the same benefits as if he were the bearer of Definitive Notes and the relative Coupons and/or Talons (if any) represented by this Global Note. Accordingly, except as ordered by a court of competent jurisdiction or as required by law or applicable regulation, the Issuer and any Paying Agent may deem and treat the holder of this Global Note as the absolute owner of this Global Note for all purposes. In the event that this Global Note (or any part of it) has become due and repayable in accordance with the Conditions or that the Maturity Date has occurred and, in either case, payment in full of the amount due has not been made to the bearer in accordance with the provisions set out above then this Global Note will become void at 8.00 p.m. (London time) on such day and the bearer will have no further rights under this Global Note (but without prejudice to the rights which the bearer or any other person may have under the Deed of Covenant executed by the Issuer on 29 September 2023 in respect of the Notes issued under the Programme Agreement pursuant to which this Global Note is issued).

No rights are conferred on any person under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of this Global Note, but this does not affect any right or remedy of any person which exists or is available apart from that Act.

This Global Note and any non-contractual obligations arising out of or in connection with it are governed by, and shall be construed in accordance with, English law.

This Global Note shall not be valid unless authenticated by the Agent and, if the applicable Final Terms indicates that this Global Note is intended to be held in a manner which would allow Eurosystem eligibility, effectuated by the entity appointed as common safe-keeper by the Relevant Clearing Systems.

IN WITNESS whereof the Issuer has caused this Global Note to be duly executed on its behalf.

PART 2 OF SCHEDULE 5

FORM OF PERMANENT GLOBAL NOTE

ANY UNITED STATES PERSON WHO HOLDS THIS OBLIGATION WILL BE SUBJECT TO LIMITATIONS UNDER THE UNITED STATES INCOME TAX LAWS INCLUDING THE LIMITATIONS PROVIDED IN SECTIONS 165(J) AND 1287(A) OF THE INTERNAL REVENUE CODE.

SPAREBANKEN SØR

PERMANENT GLOBAL NOTE

This Global Note is a Permanent Global Note in respect of a duly authorised issue of Notes (the **Notes**) of Sparebanken Sør (the **Issuer**) described, and having the provisions specified, in Part A of the attached Final Terms (the **Final Terms**). References in this Global Note to the Conditions shall be to the Terms and Conditions of the Notes as set out in Schedule 2 to the Agency Agreement (as defined below) as completed by the information set out in the Final Terms, but in the event of any conflict between the provisions of (a) that Schedule or (b) this Global Note and the information set out in the Final Terms, the Final Terms will prevail.

Words and expressions defined or set out in the Conditions and/or the Final Terms shall have the same meaning when used in this Global Note.

This Global Note is issued subject to, and with the benefit of, the Conditions and an Amended and Restated Agency Agreement (the **Agency Agreement**, which expression shall be construed as a reference to that agreement as the same may be amended, supplemented, novated or restated from time to time) dated 29 September 2023 and made between the Issuer, Deutsche Bank AG, London Branch (the **Agent**) and the other agents named in it.

For value received the Issuer, subject to and in accordance with the Conditions, promises to pay to the bearer of this Global Note on the Maturity Date and/or on such earlier date(s) as all or any of the Notes represented by this Global Note may become due and repayable in accordance with the Conditions, the amount payable under the Conditions in respect of the Notes represented by this Global Note on each such date and to pay interest (if any) on the nominal amount of the Notes from time to time represented by this Global Note calculated and payable as provided in the Conditions together with any other sums payable under the Conditions, upon (if the Final Terms indicates that this Global Note is not intended to be a New Global Note) presentation and, at maturity, surrender of this Global Note to or to the order of the Agent or any of the other paying agents located outside the United States (except as provided in the Conditions) from time to time appointed by the Issuer in respect of the Notes.

If the applicable Final Terms indicates that this Global Note is intended to be a New Global Note, the nominal amount of Notes represented by this Global Note shall be the aggregate amount from time to time entered in the records of both Euroclear Bank SA/NV and Clearstream Banking S.A. (together, the **relevant Clearing Systems**). The records of the relevant Clearing Systems (which expression in this Global Note means the records that each relevant Clearing System holds for its customers which reflect the amount of such customer's interest in the Notes) shall be conclusive evidence of the nominal amount of Notes represented by this Global Note and, for these purposes, a statement issued by a relevant Clearing System stating the nominal amount of Notes represented by this Global Note at any time (which statement shall be made available to the bearer upon request) shall be conclusive evidence of the records of the relevant Clearing System at that time.

If the applicable Final Terms indicates that this Global Note is not intended to be a New Global Note, the nominal amount of the Notes represented by this Global Note shall be the aggregate nominal amount stated in the applicable Final Terms or, if lower, the nominal amount most recently entered by or on behalf of the Issuer in the relevant column in Part 2 or 3 of Schedule One or in Schedule Two.

On any redemption or payment of interest being made in respect of, or purchase and cancellation of, any of the Notes represented by this Global Note the Issuer shall procure that:

- (i) if the applicable Final Terms indicates that this Global Note is intended to be a New Global Note, details of such redemption, payment or purchase and cancellation (as the case may be) shall be entered pro rata in the records of the relevant Clearing Systems and, upon any such entry being made, the nominal amount of the Notes recorded in the records of the relevant Clearing Systems and represented by this Global Note shall be reduced by the aggregate nominal amount of the Notes so redeemed or purchased and cancelled; or
- (ii) if the applicable Final Terms indicates that this Global Note is not intended to be a New Global Note, details of such redemption, payment or purchase and cancellation (as the case may be) shall be entered by or on behalf of the Issuer in Schedule One and the relevant space in Schedule One recording any such redemption, payment or purchase and cancellation (as the case may be) shall be signed by or on behalf of the Issuer. Upon any such redemption or purchase and cancellation, the nominal amount of the Notes represented by this Global Note shall be reduced by the nominal amount of the Notes so redeemed or purchased and cancelled.

Payments due in respect of Notes for the time being represented by this Global Note shall be made to the bearer of this Global Note and each payment so made will discharge the Issuer's obligations in respect thereof. Any failure to make the entries referred to above shall not affect such discharge.

Where the Notes have initially been represented by one or more Temporary Global Notes, on any exchange of any such Temporary Global Note for this Global Note or any part of it, the Issuer shall procure that:

- (i) if the applicable Final Terms indicates that this Global Note is intended to be a New Global Note, details of such exchange shall be entered in the records of the relevant Clearing Systems; or
- (ii) if the applicable Final Terms indicates that this Global Note is not intended to be a New Global Note, details of such exchange shall be entered by or on behalf of the Issuer in Schedule Two and the relevant space in Schedule Two recording any such exchange shall be signed by or on behalf of the Issuer. Upon any such exchange, the nominal amount of the Notes represented by this Global Note shall be increased by the nominal amount of the Notes so exchanged.

In certain circumstances further notes may be issued which are intended on issue to be consolidated and form a single Series with the Notes. In such circumstances the Issuer shall procure that:

- (i) if the applicable Final Terms indicates that this Global Note is intended to be a New Global Note, details of such further notes may be entered in the records of the relevant Clearing Systems such that the nominal amount of Notes represented by this Global Note may be increased by the amount of such further notes so issued; or
- (ii) if the applicable Final Terms indicates that this Global Note is not intended to be a New Global Note, details of such further notes shall be entered by or on behalf of the Issuer in Schedule Two and the relevant space in Schedule Two recording such further notes shall be signed by or on behalf of the Issuer, whereupon the nominal amount of the Notes represented by this Global Note shall be increased by the nominal amount of any such further notes so issued.

This Global Note may be exchanged in whole but not in part (free of charge) for security printed Definitive Notes and (if applicable) Coupons and/or Talons in the form set out in Part 3, Part 4 and Part 5 respectively of Schedule 5 to the Agency Agreement (on the basis that all the appropriate details have been included on the face of such Definitive Notes and (if applicable) Coupons and Talons and the Final Terms (or the relevant provisions of the Final Terms) have been endorsed on or attached to such Definitive Notes) either, as specified in the applicable Final Terms:

- (a) upon not less than 60 days' written notice being given to the Agent by Euroclear and/or Clearstream, Luxembourg acting on the instructions of any holder of an interest in this Global Note; or
- (b) only upon the occurrence of an Exchange Event.

An **Exchange Event** means:

- (i) An Event of Default (as defined in Condition 10) has occurred or is continuing; or
- (ii) the Issuer has been notified that both the relevant Clearing Systems have been closed for business for a continuous period of 14 days (other than by reason of holiday, statutory or otherwise) or have announced an intention permanently to cease business or have in fact done so and no successor clearing system is available; or
- (iii) the Issuer has or will become subject to adverse tax consequences which would not be suffered were the Notes represented by this Global Note in definitive form.

If this Global Note is only exchangeable following the occurrence of an Exchange Event:

- (A) the Issuer will promptly give notice to Noteholders in accordance with Condition 14 upon the occurrence of an Exchange Event; and
- (B) in the event of the occurrence of any Exchange Event, one or more of the relevant Clearing Systems acting on the instructions of any holder of an interest in this Global Note may give notice to the Agent requesting exchange and, in the event of the occurrence of an Exchange Event as described in (iii) above, the Issuer may also give notice to the Agent requesting exchange. Any such exchange shall occur no later than 45 days after the date of receipt of the first relevant notice by the Agent.

Any such exchange will be made on any day (other than a Saturday or Sunday) on which banks are open for general business in London by the bearer of this Global Note. On an exchange of this Global Note, this Global Note shall be surrendered to or to the order of the Agent. The aggregate nominal amount of Definitive Notes issued upon an exchange of this Global Note will be equal to the aggregate nominal amount of this Global Note at the time of such exchange.

Until the exchange of this Global Note, the bearer of this Global Note shall in all respects (except as otherwise provided in this Global Note) be entitled to the same benefits as if he were the bearer of Definitive Notes and the relative Coupons and/or Talons (if any) represented by this Global Note. Accordingly, except as ordered by a court of competent jurisdiction or as required by law or applicable regulation, the Issuer and any Paying Agent may deem and treat the holder of this Global Note as the absolute owner of this Global Note for all purposes.

In the event that this Global Note (or any part of it) has become due and repayable in accordance with the Conditions or that the Maturity Date has occurred and, in either case, payment in full of the amount due has not been made to the bearer in accordance with the provisions set out above then this Global Note will become void at 8.00 p.m. (London time) on such day and the bearer will have no further rights under this Global Note (but without prejudice to the rights which the bearer or any other person may have under the

Deed of Covenant executed by the Issuer on 29 September 2023 in respect of the Notes issued under the Programme Agreement pursuant to which this Global Note is issued).

No rights are conferred on any person under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of this Global Note, but this does not affect any right or remedy of any person which exists or is available apart from that Act.

This Global Note and any non-contractual obligations arising out of or in connection with it are governed by, and shall be construed in accordance with, English law.

This Global Note shall not be valid unless authenticated by the Agent and, if the applicable Final Terms indicates that this Global Note is intended to be held in a manner which would allow Eurosystem eligibility, effectuated by the entity appointed as common safekeeper by the Relevant Clearing Systems.

IN WITNESS whereof the Issuer has caused this Global Note to be duly executed on its behalf.
